*The America We Deserve* Donald Trump, 2000-01-15 The essential bestselling book that first defined President Donald Trump's political ideas *The America We Deserve* is the essential book for anyone who wants to understand the core of Donald Trump's political thinking In this book written as he first considered running for president in 2000 Trump offers no nonsense populist provocative and dramatic solutions to issues that continue to resonate with voters today In this book Trump lays out a vision for America that is strong optimistic and founded on core Republican principles of self reliance limited governance economic growth and equitable taxation Striking for its similarities to President Trump's current initiatives but also fascinating in its differences *The America We Deserve* reveals a man who is fully engaged with the nation and cares deeply about its future Readers and voters will discover Trump's ideas on Foreign policy and relations with China Russia North Korea and Israel How to fix our broken and underperforming education system Reducing regulations on business to help create jobs and economic growth A dramatic one time tax on the super wealthy to close the national debt and fuel tax cuts for the middle class Immigration crime terrorism and more *The America We Deserve* is essential reading for Trump watchers voters Republicans Democrats and anyone interested in how Trump the businessman became Trump the president [An Unfamiliar America](#) Ari Helo, Mikko Saikku, 2020-11-12 This collection focuses on conceptions of the unfamiliar from the viewpoint of mainstream American history aliens immigrants ethnic groups and previously unencountered ideas and ideologies in Trumpian America The book suggests bringing historical thinking back to the center of American Studies given that it has been recently challenged by the influential memory studies boom As much as identity building appears to be the central concern for much of the current practice in American history writing it is worth keeping in mind that historical truth may not always directly contribute to one's identity building The researcher's constant quest for truth does not equate to already possessing it History changes all the time because it consists of our constant reinterpretation of the past It is only the past that does not change This collection aims at keeping these two apart while scrutinizing a variety of contested topics in American history from xenophobic attitudes toward eighteenth century university professors Apache masculinity Ku Klux Klan Tom Waits's lyrics and the politics of the Trump era *The Council* Augustine Sherman, **Broken Scales** Tom Diaz, 2021-10-15 Humans are a species that classifies We arrange the flow of the things and events that we see and experience place them into categories and erect boundaries around those categories Among the boundaries that we erect are those that we put around groups of other human beings The evil side of human classification of other human beings is that we sometimes create false categories of other people as is often the case in racial ethnic and religious stereotypes This unmindful creation of empty categories of human characteristics is what happened during two periods crucial to the construction of race in America This is racism The United States is in a period of deep cultural flux and conflict much of it seen through the lens of race Tom Diaz proposes that the everyday actions of ordinary people in the context of extreme

political and cultural polarization distort the criminal justice system and betray the lofty ideals expressed in American founding documents and centuries of Anglo American articulations of basic human rights These everyday actions range across a spectrum from the armed intervention of private citizens in the forms of individual action neighborhood watches and citizen s arrests to the expectations imposed on law enforcement in particular and the criminal justice system in general

*Presidents of India & America with Britain's Kings & Queens* Charan Lal Sahu, 2018-07-02 Presidents of India America with Britain s Kings Queens      How Trump Happened Steven E. Schier, Todd E. Eberly, 2020-03-09 The stunning 2016 election and presidency of Donald Trump was decades in the making Three trends since the 1960s created the conditions for his triumph First a growing popular discontent with government long evident in public opinion created a widespread distrust of established leaders and institutions Second America underwent the rise of professional government Governing professionals are an elite built on merit through occupational accomplishment They now dominate interest groups the bureaucracy courts presidency and Congress Many government professionals perceive little need to mobilize the public in the way parties did in previous eras This has furthered the sense of disconnect among the public and created a self reinforcing chain Third political parties and governing institutions are now polarized into rival teams of ideological partisan elites The intense battles between these divergent teams often result in government gridlock These conditions produce ripe opportunities for outsider candidates to mount popular movements against politics as usual How did Donald Trump leverage his outsider status into a 2016 electoral victory Four factors propelled him into the White House First Trump s long career as a public celebrity gave him an identity and brand widely known to the public and which generated massive free media coverage as a candidate Second Trump and his campaign ably used social media to further amplify his message Third decades of polarized political elites governmental professionalism and mounting popular discontent made an outsider message attractive to millions of voters in 2016 Fourth Trump was blessed with a political opponent Hillary Clinton who represented the polarized and professional governing class that Trump rightly saw as an inviting target for his outsider message and demeanor That is how Trump happened      **Trump Effect** Karina V. Korostelina, 2016-10-14 The overarching goal of this book is to show how the popularity of Trump has revealed substantial problems in the social political and economic fabric of American life      *Trump and the Protestant Reaction to Make America Great Again* Matthew Rowley, 2020-11-01 This book explores how polarised interpretations of America s past influence the present and vice versa A focus on competing Protestant reactions to President Trump s Make America Great Again slogan evidences a fundamental divide over how America should remember historical racism sexism and exploitation Additionally these Protestants disagree over how the past influences present injustice and equality The 2020 killing of George Floyd forced these rival histories into the open Rowley proposes that recovering a complex view of the past confessing the bad and embracing the good might help Americans have a shared memory that can bridge polarisation and work to secure justice and equality An accessible and

timely book this is essential reading for those concerned with the vexed relationship of religion and politics in the United States including students and scholars in the fields of Protestantism history political science religious studies and sociology

**Crimmigrant Nations** Robert Koulisch, Maartje van der Woude, 2020-03-03 As the distinction between domestic and international is increasingly blurred along with the line between internal and external borders migrants particularly people of color have become emblematic of the hybrid threat both to national security and sovereignty and to safety and order inside the state From building walls and fences overcrowding detention facilities and beefing up border policing and border controls a new narrative has arrived that has migrants assume the risk for government sponsored degradation misery and death Crimmigrant Nations examines the parallel rise of anti immigrant sentiment and right wing populism in both the United States and Europe to offer an unprecedented look at this issue on an international level Beginning with the fears and concerns of immigration that predate the election of Trump the Brexit vote and the signing and implementation of the Schengen Agreement Crimmigrant Nations critically analyzes nationalist state policies in countries that have criminalized migrants and categorized them as threats to national security Highlighting a pressing and perplexing problem facing the Western world in 2020 and beyond this collection of essays illustrates not only how anti immigrant sentiments and nationalist discourse are on the rise in various Western liberal democracies but also how these sentiments are being translated into punitive and cruel policies and practices that contribute to a merger of crime control and migration control with devastating effects for those falling under its reach Mapping out how these measures are taken the rationale behind these policies and who is subjected to exclusion as a result of these measures Crimmigrant Nations looks beyond the level of the local or the national to the relational dynamics between different actors on different levels and among different institutions **Donald Trump (EasyRead Super Large 24pt Edition) , The Simpsons Secret** Lydia Poulteney, James Hicks, 2021-09-28 Have You Ever Wondered How The Simpsons Predict the Future Did The Simpsons really truly predict anything I predict you ll have to purchase this book to get the true story Bill Oakley Simpsons writer and producer 1 New Release in Animated Movies Comedy Movies and Comedy Television Then The Simpsons Secret is the book for you Delve into some of the biggest predictions that came true on the show and just how the Simpsons predict the future Simpson predictions from three eyed fish to presidential elections The Simpsons has been predicting major events with scary accuracy for over three decades From Donald Trump s presidency to Disney buying 20th Century Fox years before it happened People just can t seem to get enough and are eager to know what they are going to predict next This book goes behind the scenes of this adored cartoon series and the family we ve grown to love Between Homer Marge Bart Lisa and the rest of the Simpsons family the show has stolen our hearts and also left us amazed at how often the Simpsons predict the future So how do they do it Is it a crystal ball A fountain of knowledge Have the writers gained the ability to travel through time As shocking as it may seem the answer is actually a little simpler than that The cartoon crew is not in a secret society that can see the future nor have they mastered

the art of time travel In The Simpsons Secret learn more about How The Simpsons are able to predict so many major events How the show writers and producers come up with these ideas And so much more about your favorite old school cartoon family If you enjoyed books like Springfield Confidential The Simpsons Family History Friends Forever or The Office you ll love The Simpsons Secret

**Trump and Autobiography** Nicholas K. Mohlmann,2021-07-21 The 1970s and 1980s heralded the rise of neoliberalism in United States culture fundamentally reshaping life and work in the United States Corporate culture increasingly penetrated other aspects of American life through popular press CEO autobiographies and management books that encouraged individuals to understand their lives in corporate terms Propelled into the public eye by the publication of 1989 s The Art of the Deal ostensibly a CEO autobiography Donald Trump has made a career out of reversing the autobiographical impulse presenting an image of his life that meets his narrative needs While many scholars have sought a political precedent for Trump s rise to power this book argues that Trump s aesthetics and life production uniquely primed him for populist political success through their reliance on the tropes of popular corporate culture Trump and Autobiography contextualizes Trump s autobiographical works as an extension of the popular corporate culture of the 1980s in order to examine how Trump constructs an image of himself that is indebted to the forms genres and mechanisms of corporate speech and narrative Ultimately this book suggests that Trump s appeal and resilience rest in his ability to signify as though he is a corporation revealing the degree to which corporate culture has reshaped American society s interpretive processes

**Team Trump and the Evangelical White House** G. J. Hocking,2020-06-26 In Team Trump and the Evangelical White House the author paints perhaps a different picture of Donald J Trump than you will find in the mainstream media With so many Trump Thumping articles opinion pieces and news stories doing the rounds today it is refreshing therefore to get a glimpse into a different side of the Trump White House Surprisingly the author shows a faith friendly president whose relationship with evangelicals goes back nearly two decades As the author proposes throughout Trump s Team has energized evangelical Christians in a way not seen for a long time Some even hark back in their comparisons of the current White House to the Reagan era This was when the well known Moral Majority backed a former Hollywood actor launching Ronald Reagan into the fortieth presidency The book begins by exploring why picking V P Pence made sense in bringing evangelicals on board with the Trump agenda You ll also see how the White House welcome mat is once again out for evangelicals as the front door is always open to people of faith Prayer Force One will give you a glimpse perhaps of a side of Donald Trump you may not have seen as he prays with faith leaders These fifteen chapters will look at how the White House was won and may yet be won again with evangelical support in 2020

German-American Relations in the 21st Century Klaus Larres,Ruth Wittlinger,2020-04-22 German American relations have become interesting again U S President Donald Trump s lukewarm policy toward Europe has ensured that the relationship between Berlin and Washington is once again regarded as an important field of scholarship within global politics And yet it was only a few years ago that German American relations

seemed to take second place to transatlantic relations in general and the European Union EU USA relationship in particular The advent of Donald Trump as US President in January 2017 has made all the difference Trump s difficult personal relationship with German Chancellor Angela Merkel and his denigration of everything the Western world including the USA itself has stood for since 1949 have given a new significance to German American relations in practice and theory This volume offers an empirical and conceptual analysis of German American relations in the 21st century and highlights the serious and perhaps unprecedented challenges the two countries face at present The authors discuss a number of aspects of the current much more fragile state of German American relations from different perspectives This book was originally published as a special issue of the journal German Politics

**The Method to the Madness** Allen Salkin, Aaron Short, 2019-07-09 A Rosetta Stone for understanding Donald Trump s style mindset and every action made up of over one hundred interviews with his closest associates and adversaries over the last 15 years To his critics Donald Trump is an impulsive undisciplined crackpot who accidentally lucked into the presidency But in The Method to the Madness reporters Allen Salkin and Aaron Short reveal that nothing could be further from the truth This objective nonpartisan oral history shows that Trump had carefully planned his bid for the presidency since he launched what many considered to be a joke candidacy in 1999 Between 2000 and 2015 when he announced his candidacy in the lobby of Trump Tower he was able to identify an unserved political constituency hone a persuasive message that appealed to their needs and deliver it effectively despite intense media opposition Through candid conversations with more than 100 subjects close to the President Salkin and Short make the case that Donald Trump s ostensibly erratic approach to politics is consistent with his carefully honed personal and professional style of information gathering opinion seed planting and conclusion sharing His business media and political dealings from this era serve as a guide for understanding the man his mindset and his every action The Method to the Madness is an accessible and unbiased oral history that brings readers into the private rooms where decisions are made confidences are broken strong words fly and not all eye witnesses see the same scene in quite the same way Full of scoops both large and small this is the first book to bring Trump the politician into focus

[The Lineup](#) Paul Aron, 2022-07-12 Focusing on the ten most influential baseball books of all time this volume explores how these landmark works changed the game itself and made waves in American society at large Satchel Paige s Pitchin Man informed the dialog surrounding integration Ring Lardner s You Know Me Al changed the way Americans viewed their baseball heroes and influenced the work of Hemingway and Fitzgerald Bill James s Baseball Abstract transformed the way managers including those in fields other than baseball analyzed numbers Pete Rose s My Story and My Prison Without Bars exposed and deepened a cultural divide that paved the way for Donald Trump

**The Washington Book** Carlos Lozada, 2025-02-25 The Pulitzer Prize winning opinion columnist at The New York Times and an absolutely original genius Bob Woodward The Washington Post Carlos Lozada explores how people in power reveal themselves through their books and writings and in

doing so illuminate the personal political and cultural confliotions driving Washington and the nation A longtime book critic and columnist in Washington Carlos Lozada dissects all manner of texts commission reports political reporting Supreme Court decisions and congressional inquiries to understand the controversies animating life in the capital He also reads copious books by politicians and top officials tell all accounts by administration insiders campaign biographies by candidates longing for high office revisionist memoirs by those leaving those offices behind With this unsparing and gentle erudite and entertaining Steve Coll Pulitzer Prize winning author of Ghost Wars essay collection Lozada argues that no matter how carefully political figures sanitize their experiences positions and records they almost always let the truth slip through They show us their faults and blind spots their ambitions and compromises and their underlying motives and insecurities Whether they mean to or not they tell us who they really are Lozada notes that Barack Obama constantly invoked the power of his life story in his memoirs and speeches a sign of how he tried to transform his personal symbolism from inspiration on the campaign trail into an all purpose government tool Donald Trump revealed not just his vanity but his utter isolation from the world long before he entered the bubble of the White House In deft and lacerating prose Lozada interprets the unresolved tensions of Hillary Clinton s ideological beliefs He imagines the wonderful memoir of George H W Bush could have given us but instead left scattered throughout various books and letters He explores why Kamala Harris has struggled to carve out a distinctive role as vice president He explains how Ron DeSantis s pitch to America is just a list of enemies And he even glimpses what Vladimir Putin fears the most and why he seeks conflict with the west He does so all through their own books and their own words This monumental read The Guardian is the perfect guide to the state of our politics and the men and women who dominate the terrain It explores the construction of personal identity the delusions of leadership and the mix of subservience and ambition that can define a life in politics The more we read the stories of Washington the clearer our understanding of the competing visions of our country

Never surrender - The real Donald Trump Alessandro Nardone,2024-05-31 Few know Donald Trump better than Alessandro Nardone In 2016 when he ran for the White House as Alex Anderson he made headlines around the world As U S correspondent for Vanity Fair he was at key events and at the presidential inauguration One of the few to predict Trump s victory he has spoken about Trump at major marketing events written more than 200 articles and interviewed his former chief strategist Steve Bannon He s the author of Trump Alex and me and the novel The Predestined 2 which features Anderson as Trump s vice president The New York tycoon is the most misrepresented leader in modern history with Never Surrender Nardone aims to introduce the public to the real Donald Trump before the 2024 presidential election

**Confidence Man** Maggie Haberman,2025-06-10 The 1 New York Times bestseller Now in paperback Updated with new reporting through the 2024 election This is the book Trump fears most Axios Will be a primary source about the most vexing president in American history for years to come Joe Klein The New York Times A uniquely illuminating portrait Sean Wilentz The Washington Post A monumental look at Donald Trump and his

presidency David Shribman Los Angeles Times From the Pulitzer Prize winning New York Times reporter who has defined Donald J Trump s presidency like no other journalist Confidence Man is a magnificent and disturbing reckoning that chronicles his life and its meaning from his rise in New York City to his tortured post presidency Few journalists working today have covered Donald Trump more extensively than Maggie Haberman And few understand him and his motivations better Now demonstrating her majestic command of this story Haberman reveals in full the depth of her understanding of the 45th president himself and of what the Trump phenomenon means Interviews with hundreds of sources and numerous interviews over the years with Trump himself portray a complicated and often contradictory historical figure Capable of kindness but relying on casual cruelty as it suits his purposes Pugnacious Insecure Lonely Vindictive Menacing Smarter than his critics contend and colder and more calculating than his allies believe A man who embedded himself in popular culture galvanizing support for a run for high office that he began preliminary spadework for 30 years ago to ultimately become a president who pushed American democracy to the brink The through line of Trump s life and his presidency is the enduring question of what is in it for him or what he needs to say to survive short increments of time in the pursuit of his own interests Confidence Man is also inevitably about the world that produced such a singular character giving rise to his career and becoming his first stage It is also about a series of relentlessly transactional relationships The ones that shaped him most were with girlfriends and wives with Roy Cohn with George Steinbrenner with Mike Tyson and Don King and Roger Stone with city and state politicians like Robert Morgenthau and Rudy Giuliani with business partners with prosecutors with the media and with the employees who toiled inside what they commonly called amongst themselves the Trump Disorganization That world informed the one that Trump tried to recreate while in the White House All of Trump s behavior as President had echoes in what came before In this revelatory and newsmaking book Haberman brings together the events of his life into a single mesmerizing work It is the definitive account of one of the most norms shattering and consequential eras in American political history

*The Canada-US Border in the 21st Century* John B. Sutcliffe, William P. Anderson, 2018-11-02 Borders are critical to the development and survival of modern states offer security against external threats and mark public policy and identity difference At the same time borders and borderlands are places where people ideas and economic goods meet and intermingle The United States Canada border demonstrates all of the characteristics of modern borders and epitomises the debates that surround them This book examines the development of the US Canada border provides a detailed analysis of its current operation and concludes with an evaluation of the border s future The central objective is to examine how the border functions in practice presenting a series of case studies on its operation This book will be of interest to scholars of North American integration and border studies and to policy practitioners who will be particularly interested in the case studies and what they say about the impact of border reform
