The American Promise Vol 1:

The American Promise, Volume I: To 1877 James L. Roark, Michael P. Johnson, Patricia Cline Cohen, Sarah Stage, Susan M. Hartmann, 2012-01-09 The American Promise is more teachable and memorable than any other U.S. survey text. The balanced narrative braids together political and social history so that students can discern overarching trends as well as individual stories. The voices of hundreds of Americans from Presidents to pipe fitters and sharecroppers to suffragettes animate the past and make concepts memorable. The past comes alive for students through dynamic special features and a stunning and distinctive visual program. Over 775 contemporaneous illustrations more than any competing text draw students into the text and more than 180 full color maps increase students' geographic literacy. A rich array of special features complements the narrative offering more points of departure for assignments and discussion. Longstanding favorites include Documenting the American Promise, Historical Questions, The Promise of Technology, and Beyond American Borders, representing a key part of our effort to increase attention paid to the global context of American history. [The American Promise, Volume 1](#) James L. Roark, Michael P. Johnson, Patricia Cline Cohen, Sarah Stage, Susan M. Hartmann, 2019-06-10 The American Promise has long been a course favorite. Students value The American Promise for its readability, clear chronology, and lively voices of ordinary Americans, while instructors rely upon the rich content, the many documents and features, and the overall support for teaching their class their way. The American Promise provides superior formats for every use: the print book allows for a seamless reading experience while LaunchPad provides the right space for active learning assignments and dynamic course management tools that measure and analyze student progress. LaunchPad comes with a wealth of primary sources and special critical thinking activities to help students progress toward achieving learning outcomes. LearningCurve, the adaptive learning tool that students love to use to test their understanding of the text and instructors love to assign to prepare students for class, and a suite of instructor resources from videos to test banks that make teaching simpler and more effective.
