The Art Of Divine Contentment:

Art of Divine Contentment Thomas Watson, Rev Terry Kulakowski, Editor, 2015-11-28 Man is born unto trouble as the sparks fly upward therefore we all need to learn the same lesson as Paul I have learned he said in whatsoever state I am therewith to be content Philippians 4 11 Believers especially wish to attain to a holy equanimity in their tribulations and under the stresses caused by our increasingly secular society In this volume we have a full exposition by the Puritan Thomas Watson of the above verse of Scripture originally preached during his ministry as rector of St Stephen s Wallbrook London Puritan preachers having an eye to the practice of their hearers built their heart searching application of the truth upon sound biblical doctrine This characteristic is evident in The Art of Divine Contentment as is also the fact that Watson was the master of a terse vigorous style and of a beauty of expression

The Art of Divine Contentment Thomas Watson, 2025-05-30 In a world where competition is sold as the key ingredient for success few would ever think of contentment as one of the most important features of a true Christian When even pastors and preachers are looking for counsel on how to improve their style how to boost their leadership abilities how to be more popular to come with this idea of contentment seems rather odd However the Bible has so much to say on this topic that its inspired authors came even to the shocking conclusion that if you combine godliness and contentment the result is of great gain So thought Puritan Thomas Watson who penned this wonderful book on the what and when and how of the divine contentment This book has been originally published in 1855 Current edition has been proofread typeset for eBook readers and updated for modern readers
