**The Assault on Priesthood** Lawrence B. Porter, 2012-07-20 The concept and institution of priesthood in the Catholic Church has been the subject of serious challenge not only since the time of the Protestant Reformation but also more recently from within the Catholic Church as the Second Vatican Council 1962 1965 and theologians afterward have reconsidered the place and function of priests in relation to both bishops and laity In dialogue with those challenges and by means of research into Scripture and the theological tradition patristic medieval and modern the author of this book considers classic images of priests and priestly ministry as a way of recovering an understanding of the priesthood that is at once both biblically and theological sound

**Our Ultimate Passover Lamb** William

Mashao, 2021-08-09 This book serves to emphasize that Lord Jesus remains our Passover Lamb He ultimately meets all the requirements of the Lamb in the Old Testament Jesus remains the only reason for salvation His crucifixion was the tool for the remission of our sins and this was God's eternal plan of redemption for humanity Jesus is our ultimate Passover Lamb and His life is a proof enough to us that He was a Selected Lamb and came to the earth to serve a purpose of bringing redemption to the all human race and both His suffering and victory is a symbol of a sacrificial Lamb and was gentle blemishless and pure yet sacrificed Jesus our Passover Lamb was sacrificed for us to have the executive privilege of becoming the Sons or rightful Heirs in the Kingdom of God He is the very template and a pattern to God the Father His Suffering and Death was not only for us to attain salvation however it was for us to become the exact representation of who He is here on the Earth All this activity was celebrated during the Feast of Passover The feasts in the bible begin with the Feast of Passover two weeks before the Exodus Passover is celebrated in the first month of the year This feast is called the feast of freedom because it celebrates the deliverance of the Israelite from bondage in Egypt and memorizes when the blood of the Lamb protected those who were obedient to the Lord The first Passover in Exodus 12 was the actual day of deliverance from the wicked system of Egypt The Hebrew word Pesach for Passover means passed over the houses of Israel when He brought judgment against the Egyptians Other Passover celebration is the celebration of that great day of the deliverance of the first Passover
