The Attributes Of God:

The Attributes of God William Wilson, 1835 The Attributes of God Arthur Walkington Pink, 1961 **The Attributes of God Volume 1** A. W. Tozer, 2007-02-14 The most important question For A W Tozer no question is more important than What is God like The desire to know God consumed his entire life and ministry That's why those who read him come to know God more intimately Originally preached as sermons at Southside Alliance Church in Chicago this first volume of The Attributes of God examines ten attributes of God It also includes a study guide for an in depth look at each attribute Infinite Immense Good Just Merciful Gracious Omnipresent Immanent Holy Perfect Steeped in Scripture and filled with the Spirit Tozer preached with striking clarity and power The sense of his sermons comes through on every page bringing the Word of God to bear upon you If a sermon can be compared to light then A W Tozer released a laser beam from the pulpit a beam that penetrated the heart Warren Wiersbe former pastor of The Moody Church **The Attributes of God** Gerald Bray, 2021-01-25 How can we created beings know God the Creator Throughout history the church has recognized the importance of studying and understanding God's attributes As the Creator of all things God is unique and cannot be compared to any of his creatures so to know him believers turn to the pages of Scripture In The Attributes of God renowned theologian Gerald Bray leads us on an exploration of God's being his essential attributes his relational attributes and the relevance of his attributes to our thinking lives and worship As we better understand God's attributes we will learn to delight in who God is and how he has made himself known to us in Scripture **The Attributes of God Volume 2** A. W. Tozer, 2007-02-14 The most important question we can ask For A W Tozer there is no question more important than What is God like The desire to know God consumed his entire life and ministry That's why those who read him come to know God more intimately Originally preached as sermons to the Avenue Road congregation in Toronto this follow up to The Attributes of God Volume 1 examines ten more attributes of God It also includes a study guide for an in depth look at each attribute Self Existent Transcendent Eternal Omnipotent Immutable Omniscient Wise Sovereign Faithful Loving Steeped in Scripture and filled with the Spirit Tozer preached with striking clarity and power The sense of his sermons comes through on every page bringing the Word of God to bear upon you The Knowledge of the Holy A. W. Tozer, 2022-01-27 This classic of Christian testimony and devotion explores the attributes of God in words that fly straight to the heart A superb aid to strengthening and deepening the spiritual life each chapter begins with a prayer lucidly discusses a divine aspect from God's infinity to God's love and relates that aspect to today's world while pointing always to God's wonder and inscrutability A W Tozer asserts that the cause of many of our modern spiritual woes is the loss in today's church of a lofty concept of God He argues persuasively that the cure lies in our rediscovery of God's majesty True religion confronts earth with heaven and brings eternity to bear upon time says the author in his preface The messenger of Christ though he speaks from God must also as the Quakers used to say speak to the condition of his hearers otherwise he will speak a language known only to himself His

message must be not only timeless but timely He must speak to his own generation The message of this book is indeed both timeless and timely Tozer is primarily concerned with the loss of the concept of majesty from the popular mind and more importantly in the thinking of the church He sees the church as having surrendered her once lofty concept of God not deliberately but little by little and without her knowledge With this comes a further loss of religious awe and a sense of the divine presence of an appropriate spirit of worship and of our ability to withdraw inwardly to meet God in adoring silence Tozer attempts to address this problem to go back to the causes of the decline and to understand and correct the errors that have given rise to our loss of a sense of the holy It is impossible to keep our moral practices sound and our inward attitudes right while our idea of God is erroneous or inadequate he tells us

Attributes of God A.W Pink, Rev Terry Kulakowski, Editor, 2015-11-27 A Transforming Knowledge of the Living God The timeless appeal of this classic book written by a preacher with a worldwide ministry during the first half of the twentieth century demonstrates the deep hunger for a saving knowledge of God present in each generation Arthur Pink sought to give readers not just a theoretical knowledge of God but pointed them toward a personal relationship of yielding to him and living according to his biblical precepts Pink's book explores attributes such as God's decrees foreknowledge sovereignty holiness grace and mercy among many others all packaged in a style especially useful for pastors teachers and Bible students Our God who is above all names cannot be found through human searching alone Pink teaches but can be known only as he is revealed by the Holy Spirit through his living Word

The Attributes of God in Islamic Thought Mansoor Khalilzand, 2024-03-18 The debate over Allah's attribute the nature and the inner articulation of Allah is one of the focal debates in the intellectual history of Islam This edited collection aims to highlight and examine some aspects of this debate in their original context based on the relevant primary literature By showing that even an

apparently self evident concept such as Allah which lies at the heart of every reading of Islam is highly ambiguous and polysemous the chapters also emphasise the plurality that has always existed in Islamic thought Through highlighting the philosophical and theological reflections on the concept of Allah the results of this study challenge the juristic reading of Islam in which Allah s function consists mainly in providing a detailed plan for the human life and also rewarding or punishing the ones who deviates from it The book also attempts to demonstrate the relevance and the actuality of the tradition and to stress its contemporaneity This volume makes a significant part of the intellectual tradition of Islam accessible for students and scholars of Islamic theology Islamic philosophy Islamic studies and the like as well as providing a secondary source for teaching on the debate in question *Sermons on the Attributes of God* Whitby,1710 **Jehovistic names and titles of God. The attributes of God. Sins. Christian dogmatics** Henry Donald Maurice Spence-Jones,Joseph Samuel Exell,Charles Neil,1889 **The Attributes of God in Pauline Theology** Bill Thrasher,2001-08-29 *Arguments Drawn from the Attributes of God* John Mather Austin,1844 *The Knowledge of the Holy: The Attributes of God* A.W. Tozer,2024-02-22 The decline of the Knowledge of the Holy has brought on our troubles A rediscovery of the majesty of God will go a long way toward curing them It is impossible to keep our moral practices sound and our inward attitudes right while our idea of God is erroneous or inadequate If we would bring back spiritual power to our lives we must begin to think of God more nearly as He is **Sparks of Divine Glory: A Practical Study of the Attributes of God** C. Matthew McMahon,2022-03-16 Is there a good reason to study the doctrine of God Knowing God or not knowing God has eternal consequences to it The Savior came to explain the Father John 1 18 and he said that eternal life is knowing God and knowing Jesus Christ whom God sent John 17 3 Such a knowledge must include something more than a mere knowledge of facts It must show a relationship of those facts one to another and how they relate as a whole to the life of the believer Such a study must show what the spiritual benefits are to the redeemed which then turns to the spiritual experience they have as they grow in Christ This volume deals with the application of the knowledge of God and how the doctrine of God should be a practical every day consideration in the life of the redeemed believer McMahon covers all the revealed Biblical attributes and perfections of God which also include some not generally considered He covers that God is incomprehensible Trinitarian glorious a pure spirit self sufficient simple unified impassible immutable infinite omnipresent eternal invisible omniscient all wise light truth free holy good faithful love gracious merciful longsuffering sovereign omnipotent righteous just wrathful jealous and eminently beautiful He ends with a concluding chapter on how the Christian should always be rejoicing in God s majesty **The Attributes of God** ,1987 *The Attributes of God in the Monotheistic Faiths of Judeo-Christian and Islamic Traditions.* Husein Khimjee,2011-11-09 This book is one of the first ones of its kind in the market clearly explaining and expounding the Attributes of God in the Judeo Christian and Islamic traditions This book is a valuable guide not only to any university student but is equally interesting for a general reader who wonders and appreciates the bonding of

compassion and love God has for His creatures as seen in His Attributes **Second Edition: the Attributes of God in the Monotheistic Faiths of Judeo-Christian and Islamic Traditions** Husein Khimjee Ph.D., 2018-08-08 This book is the Second Edition of the book first published in 2011 It is one of the first books of its kind in the market clearly explaining and expanding the Attributes of God in the Judeo Christian and Islamic traditions With the expansion of the book in its Second Edition it also contains discussion of Prophets and Messengers and in particular discusses the status of Abraham in all the Three monotheistic traditions The Jewish Christian and Islamic traditions This book is about God and our relationship with God What is more interesting about the Second Edition is that it expands the possibility of more research on the concept of prophethood in the family of Abrahamic faiths Further it discusses the status of Abraham according to the theology of St Paul comparing it briefly with Islam This book discusses also the status of Jesus in the Jewish and in the Islamic traditions
