[The Bad Place](#) Dean R. Koontz, 1991 Frank Pollard awakens in an alley knowing nothing but his name and that he is in danger Over the next few days he develops a fear of sleep because when he wakes he finds blood on his hands and bizarre and terrifying objects in his pockets Distraught and desperate Frank begs husband and wife detective team Bobby and Julie Dakota to get to the bottom of his mysterious amnesiac fugues It seems a simple job but they are drawn into ever darkening realms where they encounter the nightmare hate filled figure stalking Frank And their lives are threatened as is that of Julie's gentle Down's syndrome brother Thomas To Thomas death is the bad place from which there is no return But as each of them ultimately learns there are equally bad places in the world of the living places so steeped in evil that in contrast death seems almost to be a relief

[The Dynamics of Powerful Parenting](#) Raymond Messer, 2005 The Dynamics of Powerful Parenting is a book about power the power held by a parent to shape the development of a child and the power of a child to either accept or reject those efforts Often when things are not working well for parents with their children they will continue doing the same things yet with ever more vigor Usually the result will be more of the same only worse A secret to understanding the dynamics of many human behaviors lies in the paradox of the Chinese Finger Puzzle aka Chinese Handcuff The Chinese finger puzzle is a tube woven from bamboo shoots that is several inches long and about the diameter of a person's fingers true to its nature the tube will narrow as its ends are

pulled Thus when the tube is slipped over the ends of fingers or thumbs on opposing hands the subject s efforts to pull his or her fingers apart are met with increasing resistance from the device So it is with much of being human The thing that people wish to avoid most is the very thing that results from their efforts to do so Dynamics is a book written with this paradox in mind It is a book of insights about parenting that turns upside down many of the things that are currently held dear in traditional parenting efforts It is a book that downplays the use of punishment but never overlooks the need for discipline and responsibility Dynamics encourages parents to think about what they are doing how they are doing it and what are they are experiencing as a result then provides useful tools for changing undesired outcomes It is a book that can produce positive results that will benefit generations yet unborn

The Lure of the Image Daniel Morgan,2021-08-17 The Lure of the Image shows how a close study of camera movement challenges key assumptions underlying a wide range of debates within cinema and media studies Highlighting the shifting intersection of point of view and camera position Daniel Morgan draws on a range of theoretical arguments and detailed analyses across cinemas to reimagine the relation between spectator and camera and between camera and film world With sustained accounts of how the camera moves in films by Fritz Lang Guru Dutt Max Ophuls and Terrence Malick and in contemporary digital technologies The Lure of the Image exposes the persistent fantasy that we move with the camera within the world of the film and examines the ways that filmmakers have exploited this fantasy In so doing Morgan provides a more flexible account of camera movement one that enables a fuller understanding of the political and ethical stakes entailed by this key component of cinematic style

The Living Paradox Abhinandan Mukherjee,2020-01-21 You have set an example for the world You have brought humankind closer to their deities It s not just their authorities and responsibilities that make a God revered it is their actions and deeds Your actions made you the closest to Him Year 2020 The Republic of Jannah emerged in the midst of a cold war among the five great nations The same year I Clarion Larry Sharma was born At age 12 I lost two of my most important things My mother and my memories At age 17 I left home in search for clues During my quest my mother s death became my sole motivation I even died chasing every version of truth In the Afterlife I was furious at the Supreme God who I felt was manipulating me He offered me three wishes in order to compensate These three wishes solved the mystery of her death but changed how I looked at life It changed me My actions indeed made me the closest to Him What you would have done in my place How did my choices affect my life Why don t you find it yourself This is not just another cliché It is my tale how I emerged as the youngest demigod how I ended up being The Living Paradox
