*Heritage of World Civilizations, Volume I, Unbound Value Pack (Includes Sourcebook in World History, Volume One & Myhistorylab Student Access for Worl* ,2009-01-01 **The Heritage of World Civilizations** Albert M. Craig,1997

**World Civilizations** ,2011 World Civilizations AP Edition encourages students to grasp concepts and patterns across a huge breadth of time and space and helps to facilitate global understandings and connections in the classroom This text captures a truly global approach by discussing and comparing major societies and focusing on their interactions World Civilizations AP Edition presents a clear factual framework while stimulating analysis about global contacts regional patterns and the whole process of change and continuity on a world stage This text identifies six periods in world history Each period is determined by three basic criteria a geographical rebalancing among major civilizational areas an increase in the intensity and extent of contact across civilizations or in the case of the earliest period crossregional contact and the emergence of new and roughly parallel developments in many major civilizations Based on comparative work and focuses on global processes this text helps students see the history of the world as one based on multiple disciplines Publisher **World Civilizations** Peter N. Stearns,2007 With 83 additional outline and four color maps World Civilizations The Global Experience Fifth Edition Atlas Edition helps students with geography one of the most difficult aspects of World history courses for many The maps are accompanied by review questions that call on students to identify important geographical areas and think critically about the connection between geography and historical events The maps are on perforated pages and are organized by chapter so that they can be assigned easily and collected The primary goal ofWorld Civilizationsis to present a truly global history since the development of agriculture and herding to the present Using a unique periodization this book divides the main periods of human history according to changes in the nature and extent of global contacts This global world history text emphasizes the major stages in the interactions among different peoples and societies while also assessing the development of major societies Presenting social and cultural as well as political and economic aspects the book examines key civilizations in world history World Civilizationsbalances this discussion of independent developments in the world s major civilizations with comparative analysis of the results of global contact **The Heritage of World Civilizations + Myhistorylab and Pearson Etext** Albert M. Craig,Professor Albert M Craig,William A. Graham,Donald Kagan,Steven M Ozment,Frank M. Turner,2010-12-27 This package contains the following components 0136034713 MyHistoryLab with Pearson eText for World Western Civ 2 semester 0205803482 Heritage of World Civilizations The Volume 1 **World Civilizations** Peter N. Stearns,Michael Adas,Stuart B. Schwartz,2001 The primary goal of World Civilizations is to present a TRULY GLOBAL HISTORY one that both discusses the development of the world s leading civilizations and also emphasizes the major stages in the interactions among different peoples and societies World Civilizations examines all the world s civilizations including those in the Western tradition but also those civilizations sometimes neglected in world history texts for example the nomadic

societies of Asia Latin America and the nations and states of the Pacific Rim World Civilizations balances this discussion of independent developments in all the world s major civilizations with comparative analysis of the results of international contact World Civilizations organizes its presentation of global history into SIX COHERENT TIME PERIODS with each period defined by the new and parallel patterns that evolved among all or most civilizations during the particular era The six periods correspond to the six parts of the book Within each part the authors identify specific themes that characterize common experiences or common forces in individual societies as well as the new kinds and patterns of global contacts that emerged during the era Thus for example Part I of the book discusses the developmental stage of world history including the rise of agriculture and the development of civilization Part II examines the classical era in global history an era marked by the integration of large regions and diverse groups of people through overarching cultural and political systems Subsequent parts of the book continue the emphasis on geographic shifts and the intensification of contact among civilizations **World Civilizations** Peter N. Stearns,Michael B. Adas,Marc Jason Gilbert,2008 Taureans ever wondered what the Sun signs tell you about love and life This unique anthology of poems for love and life relates directly to your Sun sign Taurus If you were born between the 21st of April and the 21st of May you will relate to many of the themes identified with your sign s characteristics and personality traits The poems in this collection have been chosen because they reflect a Taurean attitude to life They appeal to the interests ruled by your sign the animals flowers trees plants and places celebrated by the poets and associated with the sign of Taurus over three thousand years of traditional astrology Some have been chosen simply because we believe you will enjoy them and that they will awaken or re awaken your love of poetry **World Civilizations** ,2011 World Civilizations AP Edition encourages students to grasp concepts and patterns across a huge breadth of time and space and helps to facilitate global understandings and connections in the classroom This text captures a truly global approach by discussing and comparing major societies and focusing on their interactions World Civilizations AP Edition presents a clear factual framework while stimulating analysis about global contacts regional patterns and the whole process of change and continuity on a world stage This text identifies six periods in world history Each period is determined by three basic criteria a geographical rebalancing among major civilizational areas an increase in the intensity and extent of contact across civilizations or in the case of the earliest period crossregional contact and the emergence of new and roughly parallel developments in many major civilizations Based on comparative work and focuses on global processes this text helps students see the history of the world as one based on multiple disciplines Publisher *World Civilizations* Peter N. Stearns,2007 **World Civilizations** Philip J. Adler,Randall L. Pouwels,2005 Bringing more than 50 years of combined teaching experience and expertise into WORLD CIVILIZATIONS Philip J Adler and Randall L Pouwels present an accessible comprehensive and balanced global overview of the world s major civilizations from the ancient world to modern times Well more than half of the content focuses on the world outside of Europe As one of the most graphic and pedagogically driven
