World Civilizations The Global Experience Ap Edition 5th Edition:

World Civilizations Peter N. Stearns, 2007 The primary goal of World Civilizations is to present a truly global history since the development of agriculture and herding to the present Overview of World History Readers interested in the history and development of civilization worldwide

World Civilizations Peter N. Stearns, Michael Adas, Stuart B. Schwartz, 2001 The primary goal of World Civilizations is to present a TRULY GLOBAL HISTORY one that both discusses the development of the world's leading civilizations and also emphasizes the major stages in the interactions among different peoples and societies World Civilizations examines all the world's civilizations including those in the Western tradition but also those civilizations sometimes neglected in world history texts for example the nomadic societies of Asia Latin America and the nations and states of the Pacific Rim World Civilizations balances this discussion of independent developments in all the world's major civilizations with comparative analysis of the results of international contact World Civilizations organizes its presentation of global history into SIX COHERENT TIME PERIODS with each period defined by the new and parallel patterns that evolved among all or most civilizations during the particular era The six periods correspond to the six parts of the book Within each part the authors identify specific themes that characterize common experiences or common forces in individual societies as well as the new kinds and patterns of global contacts that emerged during the era Thus for example Part I of the book discusses the developmental stage of world history including the rise of agriculture and the development of civilization Part II examines the classical era in global history an era marked by the integration of large regions and diverse groups of people through overarching cultural and political systems Subsequent parts of the book continue the emphasis on geographic shifts and the intensification of contact among civilizations

World Civilizations Peter N. Stearns, Michael B. Adas, Stuart B. Schwartz, Marc Jason Gilbert, 2008-07 Designed for introductory level survey courses in World History The primary goal of World Civilizations is to present a truly global history from the development of agriculture and herding to the present Using a unique periodization this book divides the main periods of human history according to changes in the nature and extent of global contacts This global world history text emphasizes the major stages in the interactions among different peoples and societies while at the same time assessing the development of major societies Encompassing social and cultural as well as political and economic history the book examines key civilizations in world history World Civilizations balances this discussion of independent developments in the world's major civilizations with comparative analysis of the results of global contact

World Civilizations, 2011 World Civilizations AP Edition encourages students to grasp concepts and patterns across a huge breadth of time and space and helps to facilitate global understandings and connections in the classroom This text captures a truly global approach by discussing and comparing major societies and focusing on their interactions World Civilizations AP Edition presents a clear factual framework while stimulating analysis about global contacts regional patterns

and the whole process of change and continuity on a world stage This text identifies six periods in world history Each period is determined by three basic criteria a geographical rebalancing among major civilizational areas an increase in the intensity and extent of contact across civilizations or in the case of the earliest period crossregional contact and the emergence of new and roughly parallel developments in many major civilizations Based on comparative work and focuses on global processes this text helps students see the history of the world as one based on multiple disciplines Publisher **Princeton Review AP**
