World Civilizations The Global Experience Fourth Edition:

World Civilizations Peter N. Stearns, 1999-10 The primary goal of World Civilizations The Global Experience Third Edition is to present a truly global history one that both discusses the development of the world's leading civilizations and also emphasizes the major stages in the interactions among different peoples and societies. The book examines all the world s civilizations including those in the Western tradition but also those civilizations sometimes neglected in world history texts for example the nomadic societies of Asia Latin America and the nations and states of the Pacific Rim World Civilizations balances this discussion of independent developments in all the world's major civilizations with comparative analysis of the results of international contact MARKET Appropriate for anyone interested in World History World Civilizations Peter N. Stearns, Michael Adas, Stuart B. Schwartz, 2001 The primary goal of World Civilizations is to present a TRULY GLOBAL HISTORY one that both discusses the development of the world's leading civilizations and also emphasizes the major stages in the interactions among different peoples and societies World Civilizations examines all the world's civilizations including those in the Western tradition but also those civilizations sometimes neglected in world history texts for example the nomadic societies of Asia Latin America and the nations and states of the Pacific Rim World Civilizations balances this discussion of independent developments in all the world's major civilizations with comparative analysis of the results of international contact World Civilizations organizes its presentation of global history into SIX COHERENT TIME PERIODS with each period defined by the new and parallel patterns that evolved among all or most civilizations during the particular era The six periods correspond to the six parts of the book Within each part the authors identify specific themes that characterize common experiences or common forces in individual societies as well as the new kinds and patterns of global contacts that emerged during the era Thus for example Part I of the book discusses the developmental stage of world history including the rise of agriculture and the development of civilization Part II examines the classical era in global history an era marked by the integration of large regions and diverse groups of people through overarching cultural and political systems Subsequent parts of the book continue the emphasis on geographic shifts and the intensification of contact among civilizations World Civilizations ,2004 World Civilizations Peter N. Stearns, Michael Adas, Stuart B. Schwartz, Marc Jason Gilbert, 2010 Designed for introductory level survey courses in World History The primary goal of World Civilizations is to present a truly global history from the development of agriculture and herding to the present Using a unique periodization this book divides the main periods of human history according to changes in the nature and extent of global contacts This global world history text emphasizes the major stages in the interactions among different peoples and societies while at the same time assessing the development of major societies Encompassing social and cultural as well as political and economic history the book examines key civilizations in world history World Civilizations balances this discussion of independent developments in the world's major civilizations with comparative analysis of the results of global contact The Global Experience Philip F.

Riley, Frank A.
