Brown,2017-11-21 Would you like to learn to pray like a medieval Christian In *Mary and the Art of Prayer* Rachel Fulton
Brown traces the history of the medieval practice of praising Mary through the complex of prayers known as the Hours of the
Virgin More than just a work of comprehensive historical scholarship the book asks readers to immerse themselves in the
experience of believing in and praying to Mary *Mary and the Art of Prayer* crosses the boundaries that modern scholars
typically place between observation and experience between the world of provable facts and the world of imagination
suggesting what it would have been like for medieval Christians to encounter Mary in prayer *Mary and the Art of Prayer*
opens with a history of the devotion of the Hours or Little Office of the Virgin It then guides readers in the practice of saying
this Office including its invitatory Ave Maria antiphons psalms lessons and prayers The book works on several levels at once
It provides a new methodology for thinking about devotion and prayer a new appreciation of the scope of and audience for
the Hours of the Virgin a new understanding of how Mary functions theologically and devotionally and a new reading of
sources not previously taken into account A courageous and moving work it will transform our ideas of what scholarship is
and what it can accomplish **The Electrical Experimenter** ,1919
