**The Way Of One And The Fate of a World Divided** W.Alexander Wheeler, Ph.D., 2019-04-25 One need not hear the words of a prophet to know that we stand at the brink of explosive global change unparalleled in the history of the world But if we are given the words of a prophet and fail to pay heed such change can now only lead to the final self destructive act in the human tragedy This book delivers to humanity a message commissioned by no less than the universal and unlimited Source of all knowledge wisdom and vision critical to the future survival of our world Like a topographical map that from a bird's eye view indicates to us the path of least resistance the Source points the way beyond war and violence greed and fear and toward a higher transcendental sanity to match the needs of the critical times in which we live The Way of One Given the ever increasing speed at which we are advancing toward our final destiny we can ill afford to defy or ignore the immortal and dramatic vision of truth that is contained within these pages

**The Next World** David Romo, 2022-07-10 The battle is going full force and nothing is being held back Steven Boyd and the Blufirs are attacking with everything they have to defeat Pedro and his friends Meanwhile Pedro and his group are doing all they possibly can do to hold them back until reinforcements arrive With the help of some of their allies Pedro has been able to stay one step ahead of the enemy but time is quickly running out With all the new weapons being used no one can predict what is coming next If something drastic doesn't change and fast it might be too late for anyone else to stop Steven Boyd and the Blufirs from taking over the Earth destroying it and eventually every other world realm and empire that exists as well Pedro and his friends are well aware of the consequences if they fail to stop their enemy from advancing With limited weapons they are forced to depend on their allies resources which have so far turned out to be odd but effective Although Jim Davis is a royal pain in the rear he has finally proved his worth as a valuable resource and gained everyone's respect However David is the real star of the group With his surprising knowledge skills and resources he has allowed the others to take full advantage in their decision making and so far it has continued to keep them alive Steven Boyd believes Pedro is some kind of a good luck charm that continues to allow the others to remain safely out of his grasp With the assistance of a new acquaintance he meets Steven Boyd decides to use black magic as a new weapon against Pedro and his friends With deadly results he attacks and it appears he might be winning the war He should be happy but is surprised and horrified to discover that there will always be a price to pay for using black magic
