World Civilizations 6th Edition Test Bank:

World Civilizations Philip J. Adler, 2003 WORLD CIVILIZATIONS offers students a comprehensive and balanced overview of the world's major civilizations spanning from the ancient world to modern times. With more than half of the text devoted to non-Western civilizations, this Third Edition provides increased attention to modern-day Islam, pre-colonial Africa, the role of women throughout history, and the global effects of World War II on the various civilizations. Throughout Philip Adler describes history as the story of how individuals have tried with varying degrees of success to meet their physical, emotional, and intellectual needs and desires. **Im-World Civilizations** Philip J.
