Encyclopedia of Christianity in the Global South Mark A. Lamport, 2018-06-01 Christianity has transformed many

times in its 2 000 year history from its roots in the Middle East to its presence around the world today From the mid twentieth century onward the presence of Christianity has increased dramatically in Asia Africa and Latin America and the majority of the world s Christians are now nonwhite and non Western The Encyclopedia of Christianity in the Global South traces both the historical evolution and contemporary themes in Christianity in more than 150 countries and regions The volumes include maps images and a detailed timeline of key events The phrases Global Christianity and World Christianity are inadequate to convey the complexity of the countries and regions involved this encyclopedia with its more than 500 entries aims to offer rich perspectives on the varieties of Christianity where it is growing how the spread of Christianity shapes the faith in various regions and how the faith is changing worldwide *The Politics of Salvation* Timothy W.

Reardon,2021-01-14 Timothy W Reardon uncovers thesalvation narrative developed within Luke Acts and its key themes as they develop within the Lukan presentation of time and space while being attentive to overcoming a facile compartmentalization of religion and politics Reardon argues that Luke Acts offers a complete holistic embodied and theopolitical soteriology cosmic in scope that includes both the what and how of salvation In contrast to recent arguments for some form of vicarious expiation in Luke Acts Reardon instead suggests that Luke Acts presentation of salvation though exhibiting elements of multiple atonement models noticeably takes a Christus Victor form using Irenaeus s Christus Victorparadigm in particular as a point of comparison Throughout this book Reardon repeatedly demonstrates that Lukan soteriology is political examining Jesus role as herald of God s kingdom the salvific space of heaven and the Church and the mission of salvation Reardon concludes that Luke Acts is a theopolitical salvation unfolding in space aiming toward the reconciliation of all things **Buddhism** Hillary Rodrigues,2020-12-01 An introduction to Buddhism covering its History Beliefs Structure and Practices Richly illustrated with colourful photos illustrations maps and charts as well as audio files and a selection of relevant ancient texts This eBOOK provides a solid jargon free introduction to Buddhism for college level classes or for any reader seeking a neutral presentation of Buddhism by an author who has taught extensively in the field for over three decades **THE EVOLUTION OF RELIGION** Sulabh Jain,15-06-09 History has an unsettling effect on religion Like science history is fundamentally nothing more than a range of theories based on objective evidence Mythology becomes a byword for a traditions history and historyin the objective sense that we understand it today becomes distorted Thus through time both myth and history blend into an entertaining story of the world around them and their role in that world

Essays on Diverse Topics Kalman Dubov,2021-12-23 This revised and updated volume includes twenty two essays on timely topics The volume begins with topics on Judaism and Jewish Ideology the book reviews the multiplicity of languages Jewish people used throughout their history At last count these number 55 an amazing way to create a localized language for daily interaction rather than use Hebrew the sacred language reserved for prayer and study The brief review of Lurianic Kabbalah follows together with a discussion of human suffering The mystery of Ashkenazic Jewry follows offering a serious

question to this dilemma What follows is an exposition on the Jewish law of mosur the informer and the many issues affecting sexual predation in ultra Orthodox Judaism both in the United States and Australia as in Israel The Cairo Genizah reviews how two Scottish sisters brought the Book of Ecclesiasticus to Cambridge and the vast treasure of Cairo brought to Cambridge and other universities to examine this ancient repository The issue of Apostate Rabbis follows discussing several rabbis who converted to Christianity I then discuss the Radhanites the mysterious group of super merchants who traveled from France to China and back for about 500 years centuries before Marco Polo I then discuss Chabad Messianism a topic of interest as Chabad expands its message across the globe Several topics follow Medieval Blood Libel the mystery of Jews in Sri Lanka today a minimal number but in earlier centuries numbering several thousand I then discuss several topics on the human condition essays designed to reflect on Man s ethical dilemma of life in the post World War Two era I then discuss the two original ideas regarding religion One of these is attributed to the Patriarch Abraham whose reflection on Deity and how to relate to spirituality predominates in the three great Western religions The other original thought is found in Hinduism reflecting an entirely different way to relate to Deity Because Hinduism is a Far Eastern phenomenon not readily accessible in the West I ve included an overview of Hinduism so that the Western and Jewish views can be appreciated A new topic reflect on the Atrocity Soul and its counterpart reflecting of the Son of Darkness and the Son of Light each bringing messages one of despair and darkness and the other of hope and redemption While these persons may be religious it is not a primary matter to the Son of Light but their message of hope predominates I conclude the book with a discussion on Calculating Zero an advancement only made twice in human history in the New World by the Maya and by the ancient Mesopotamians Each of the essays and reviews reflects my understanding of these and other diverse topics Each essay provides grist for discussion and reflection

Hinduism Hillary P. Rodrigues, 2020-10-11 An introduction to Hinduism covering its History Beliefs Structure and Practices Richly illustrated with colourful photos illustrations maps and charts as well as audio files and a selection of relevant ancient texts This eBOOK provides a solid jargon free introduction to Hinduism for college level classes or for any reader seeking a neutral presentation of Hinduism by an author who has taught extensively in the field for over three decades

The First Urban Churches 6 James R. Harrison, L. L. Welborn, 2021-11-05 An examination of early Roman Christianity by New Testament and classical scholars Building on the methodologies introduced in the first volume of *The First Urban Churches* and supplementing the in depth studies of Corinth Ephesus Philippi Colossae Hierapolis and Laodicea vols 2 5 essays in this volume challenge readers to reexamine what we know about the early church within Rome and the port city of Ostia In the introductory section of the book James R Harrison discusses the material and documentary evidence of both cities which sets the stage for the essays that follow In the second section Mary Jane Cuyler James R Harrison Richard Last Annelies Moeser Thomas A Robinson Michael P Theophilos and L L Welborn examine a range of topics including the Ostian Synagogue Romans 1 2 4 against the backdrop of Julio Claudian adoption and apotheosis traditions and the epistle of 1 Clement In the final section of this volume Jutta Dresken Welland and Mark Reasoner engage Peter Lampe s magnum opus *From Paul to Valentinus* Lampe wraps up the section and the volume with a response Throughout readers are provided with a rich demonstration of how the material evidence of the city of Rome illuminates the emergence of Roman Christianity especially in the first century CE

Preaching with Cultural Intelligence Matthew D. Kim, 2017-10-17 To preach effectively in today s world preachers need cultural intelligence They must build bridges between listeners who come from various denominations ethnicities genders locations religious backgrounds and more Experienced preacher and teacher Matthew Kim provides a step by step template for cross cultural hermeneutics and homiletics equipping preachers to reach their varied listeners in the church and beyond Each chapter includes questions for individual thought or group discussion The book also includes helpful diagrams and images a sample sermon and appendixes for exegeting listeners and for exploring cultural differences

Significant Others Monte Cox, 2017-09-12 A generation ago most Americans had little or no contact with Muslims Hindus Buddhists or any other adherents of non Christian religions Now our culture is much more pluralistic In addition to these others many Westerners disenchanted with Christianity are more inclined than they were a generation ago to dabble in new spiritual alternatives that were not as readily available here before Many Christians feel intimidated by these changes Many Christians don t know how to engage their newest non Christian neighbors in conversation partly because they feel ignorant about the religions practiced by others *Significant Others* seeks to fill this knowledge gap so readers will become more acquainted with the religious backgrounds of devout non Christians they are meeting as well as with the growing number of American people who claim no religious affiliation at all Each chapter outlines the major world religions according to their significant founders or leading figures significant beliefs and practices significant sects and developments and significant points of contact and points of contrast with Christian faith

Nine Nights of Power Ute Hüsken, Vasudha Narayanan, Astrid Zotter, 2021-10-01 The autumnal Navar tri festival also called Durg P j Dassehra or Dasain is the most important Hindu festival in South Asia

and wherever Hindus settle A nine night long celebration in honor of the goddess Durg it ends on the tenth day with a celebration called the victorious tenth vijayada am The rituals that take place in domestic royal and public spaces are closely connected with one's station in life and dependent on social status economic class caste and gender issues Exploring different aspects of the festival as celebrated in diverse regions of South Asia and in the South Asian diaspora this book addresses the following common questions What does this festival do What does it achieve and how Why and in what way does it sometimes fail How do mass communication and social media increase participation in and contribute to the changing nature of the festival The contributors address these questions from multiple perspectives and discuss issues of agency authority ritual efficacy change appropriation and adaptation Because of the festival's reach beyond its diverse celebrations in South Asia its influence can be seen in the rituals and dances in many parts of Western Europe and North America

Contemporary Materialism: Its Ontology and Epistemology Gustavo E. Romero, Javier Pérez-Jara, Lino Camprubí, 2022-06-01 This book provides an up to date revision of materialism's central tenets its main varieties and the place of materialistic philosophy vis a vis scientific knowledge Materialism has been the subject of extensive and rich controversies since Robert Boyle introduced the term for the first time in the 17th century But what is materialism and what can it offer today The term is usually defined as the worldview according to which everything real is material Nevertheless there is no philosophical consensus about whether the meaning of matter can be enlarged beyond the physical As a consequence materialism is often defined in stark exclusive and reductionist terms whatever exists is either physical or ontologically reducible to it This conception if consistent mutilates reality excluding the ontological significance of political economic sociocultural anthropological and psychological realities Starting from a new history of materialism the present book focuses on the central ontological and epistemological debates aroused by today's leading materialist approaches including some little known to an anglophone readership The key concepts of matter system emergence space and time life mind and software are checked over and updated Controversial issues such as the nature of mathematics and the place of reductionism are also discussed from different materialist approaches As a result materialism emerges as a powerful indispensable scientifically supported worldview with a surprising wealth of nuances and possibilities
