Gefährliche Nähe [German-language Edition] Michail Logvinov, Klaus Hummel, 2014-03-01 Salafism and jihadism are an important focus of inner German security discussions The Salafi proselytizing is more successful than ever and the jihad in Afghanistan or Syria pulls Islamists from Germany This collection offers an examination of currently virulent phenomena of Salafism and jihadism from different perspectives It is sometimes claimed that either Islam and violence or religion and terror go hand in hand the authors of this volume aim to show that this is not so Using the methods of social science to determine whether and under what conditions such a dangerous proximity comes about this book offers insight into which actors are being looked for by extremists to exploit and to use as self fulfilling prophecies To this end the authors develop innovative analytical concepts Among other things a process of co radicalization and an attitude based approach to the study of Salafist networks are described The book makes an important contribution to the current debate by not presenting the potentially dangerous proximity of Islam and violence as a social fact but describes it as a factor that can be influenced and understood Salafismus und Dschihadismus stehen im Mittelpunkt innerdeutscher Sicherheitsdiskussionen Die salafistische Missionierung ist erfolgreich wie nie zuvor und der Dschihad in Afghanistan oder Syrien zieht die Islamisten aus Deutschland an Der vorliegende Sammelband beleuchtet aus unterschiedlichen Perspektiven die derzeit virulenten Phänomene des Salafismus und Dschihadismus Weder soll damit plakativ eine Nähe von Islam und Gewalt Religion und Terror behauptet noch eine solche pauschal geleugnet werden Vielmehr wird mit sozialwissenschaftlichen Methoden erklärt ob und unter welchen Bedingungen eine solche gefährliche Nähe zustande kommt welche Akteure sie suchen instrumentalisieren oder sie zur sich selbst erfüllenden Prophezeiung werden lassen Zu diesem Zweck entwickeln die Autoren innovative Analysekonzepte Unter anderem werden ein Prozess der Co Radikalisierung und ein attitudebasierter Ansatz zur Untersuchung salafistischer Netzwerke beschrieben Der Band leistet einen wichtigen Beitrag zur aktuellen Diskussion indem er die gefährliche potentielle Nähe von Islam und Gewalt nicht etwa als soziales Faktum präsentiert sondern als beeinflussbare Größe beschreibt und verständlich macht English/German Dictionary of Idioms Professor Hans Schemann, 2013-04-15 This dictionary is the ideal supplement to the German English Dictionary of Idioms which together give a rich source of material for the translator from and into each language The dictionary contains 15 000 headwords each entry supplying the German equivalents variants contexts and the degree of currency rarity of the idiomatic expression This dictionary will be an invaluable resource for students and professional literary translators Not for sale in Germany Austria or Switzerland

**Dimensions of Storytelling in German Literature and Beyond** Jennifer William, Kristy R. Boney, 2018 Explores the storytelling of Anna Seghers and other 20th century writers who faced the tensions between aesthetics and politically conscious writing between conformity and resistance While Walter Benjamin in his famous essay The Storyteller 1936 lamented the decline of the storytelling tradition in the age of the modernist novel Anna Seghers and other twentieth century German writers went on to

chronicle the century's darkest days in creative and compelling ways This volume is at its heart a tribute to Germanist Helen Fehervary whose work particularly on the prose of Anna Seghers continues to inspire scholars who examine narration and storytelling The subtitle quotation for once telling it all from the beginning is a translation of the phrase einmal alles von Anfang an erz hlen from Seghers's exile novel Transit in which she told not only her own story but that of countless others who faced existential challenges in their attempts to escape the Nazi regime This volume examines a number of such writers exploring the tensions between aesthetics and politically conscious writing as well as individual struggles involving conformity and resistance in a totalitarian state Contributors Peter Beicken Hunter Bivens Kristy R Boney Ute Brandes Stephen Brockmann Sylvia Fischer Jost Hermand Kristen Hetrick Robert C Holub Weijia Li Elizabeth Loentz Michaela Peroutkov Benjamin Robinson Christiane Zehl Romero Marc Silberman Andy Spencer Luke Springman Amy Kepple Strawser Jennifer Marston William Kristy R Boney is Associate Professor of German at the University of Central Missouri Jennifer Marston William is Professor of German and Head of the School of Languages and Cultures at Purdue University

**Australian Literature in the German Democratic Republic** Nicole Moore, Christina Spittel, 2016-06-19 An account of fraught and complex cross cultural literary exchange between two highly distinct even uniquely opposed reading contexts Australian Literature in the German Democratic Republic has resonance for all newly global reckonings of the cultural Cold War Working from the extraordinary records of the East German publishing and censorship regime the authors materially track the production and reception of one country's corpus as envisioned by another The 90 Australian titles published in the GDR form an alternative canon revealing a shadowy literary archive that rewrites Australia's postwar cultural history from behind the iron curtain and illuminates multiple ironies for the GDR as a reading nation This book brings together leading German and Australian scholars in the fields of book history German and Australian cultural history Australian and postcolonial literatures and postcolonial and cross cultural theory with emerging writers currently navigating between the two cultures

**Inequality, Poverty and Precarity in Contemporary American Culture** Sieglinde Lemke, 2016-12-09 This book analyzes the discourse generated by pundits politicians and artists to examine how poverty and the income gap is framed through specific modes of representation Set against the dichotomy of the structural narrative of poverty and the opportunity narrative Lemke's modified concept of precarity reveals new insights into the American situation as well as into the textuality of contemporary demands for equity Her acute study of a vast range of artistic and journalistic texts brings attention to a mode of representation that is itself precarious both in the modern and etymological sense denoting both insecurity and entreaty With the keen eye of a cultural studies scholar her innovative book makes a necessary contribution to academic and popular critiques of the social effects of neoliberal capitalism

**The German-speaking Countries of Europe** Margrit Beran Krewson, 1989 **Contemporary German Fiction Writers** Wolfgang Elfe, James N. Hardin, 1988 Essays on West German East German and Swiss German authors who experienced Nazi rule and World War II as adults

Entries examine these writers coming to terms with the experience of fascism and how they were often the conscience of a society that was inclined to forget its recent past. The lives and works of these writers provide an insight not only into German literature but also into several decades of German history. *Memory and Postwar Memorials* M. Silberman, F. Vatan, 2013-12-04. The twentieth century witnessed genocides, ethnic cleansing, forced population expulsions, shifting borders and other disruptions on an unprecedented scale. This book examines the work of memory and the ethics of healing in post-authoritarian societies that have experienced state-perpetrated violence.

**The Columbia Guide to the Literatures of Eastern Europe Since 1945** Harold B. Segel, 2003. The Iron Curtain concealed from western eyes a vital group of national and regional writers. Marked by not only geographical proximity but also by the shared experience of communism and its collapse, the countries of Eastern Europe—Poland, Hungary, Albania, Romania, Bulgaria, and the former states of Yugoslavia, Czechoslovakia, and East Germany—share literatures that reveal many common themes when examined together. Compiled by a leading scholar, the guide includes an overview of literary trends in historical context, a listing of some 700 authors by country, and an A to Z section of articles on the most influential writers.

**Soziologie - Sociology in the German-Speaking World** Betina Hollstein, Rainer Greshoff, Uwe Schimank, Anja Weiß, 2021-02-22. This book provides the first systematic overview of German sociology today. Thirty-four chapters review current trends, relate them to international discussions, and discuss perspectives for future research. The contributions span the whole range of sociological research topics, from social inequality to the sociology of body and space, addressing pressing questions in sociological theory and innovative research methods.

**The Political Economy**

**of De-liberalization** Anna Fill, 2018-11-02 This book explores the politics behind de liberalization defined as policy reforms that constrain markets and their underlying mechanisms By offering a comparative study on the governmental reform strategies and policy choices of Austria Germany and Switzerland it demonstrates that de liberalization processes are a common reform option for governments Utilizing a novel dataset on liberalization covering policy reform trajectories in 38 industrialized countries between 1973 and 2013 it shows that governments often draw on strategies of de liberalization in the fields of social welfare and labor market policy where they can be used as compensation for the electorate in the context of liberalizing reforms As such the book makes an important contribution to the field of political economy by capturing the turning of the tide in scholarly and policy attention away from liberalization and towards a re embedding and re regulation of economic activity

Migrant Media Kira Kosnick, 2007-12-12 This study of media and migrant communities in Germany's capital city is a model of clarity and rigor in its arguments Martin Stokes University of Chicago In this innovative and thought provoking study Kira Kosnick explores the landscape of Turkish language broadcasting in Berlin From twenty four hour radio broadcasting in Turkish to programming on Germany's national public broadcasting and local public access channels Germany's largest immigrant minority has made its presence felt in German media Satellite dishes have appeared in migrant neighborhoods all over the city giving viewers access to Kurdish channels and broadcasts from Turkey Kosnick draws on interviews with producers her own participation in production work and analysis of programs to elaborate a new approach to migrant media in relation to the larger cultural and political spaces through which immigrant life is imagined and created

**Romanian Review**, 1978      **Claus Offe and the Critical Theory of the Capitalist State** Jens Borchert, Stephan

Lessenich, 2016-04-28 Back in 1972 German political sociologist Claus Offe published a book on the Structural Problems of Late Capitalism which for almost two decades inspired and stimulated an international and transdisciplinary debate on the role of the state in contemporary capitalism An academic debate which paradoxically began to wane as the issues about which Offe had been writing became even more prominent the Contradictions of the Welfare State the title of a collection of Offe's main contributions to the debate published in English in 1984 and democratic capitalism's reality of the permanent crises of crisis management Since 2008 it has again become a widely shared diagnosis that advanced capitalism is in crisis However there is either scholarly disagreement or more often so mere perplexity when it comes to understanding this crisis and to explaining the prevalent patterns in dealing with it In this volume Jens Borchert and Stephan Lessenich critically combine a reconstruction Claus Offe's approach to state theory with an analysis of the current constellation of democratic capitalism based on that same theory In doing so they expertly argue that his relational approach to state theory is much better equipped analytically to grasp the contradictory dynamics of the financial crisis and its political regulation than

competing contributions This is why systematically revisiting the theory of late capitalism is not only of a historical concern but constitutes an essential contribution to a political sociology of our time      **Inscription and Rebellion** Sonja E. Klocke, 2015 Employs research on the GDR's healthcare system along with feminist and queer theory to get at socialism's legacy revealing a specifically East German literary convention employment of symptomatic female bodies to either enforce or rebel against political and social norms      Bibliographic Guide to Soviet and East European Studies, 1981      The Afterlives of Weimar Berlin Jill Suzanne Smith, 2024 Explores the recent proliferation of literary and filmic representations of Weimar Berlin in German culture probing the connections between historical and contemporary texts their contexts and their creators often German Jews and women More than a century after its founding there can be little doubt that Weimar is back The recent proliferation of references to and portrayals of the Weimar Republic Germany's first democracy born out of the aftermath of the First World War and characterized by economic and political crisis is not surprising given our crisis-filled present That said the Weimar era has been a consistent focus of scholarly work in both the German speaking and the Anglo American academic worlds since the 1970s and yet depictions of this period in German literature and visual culture were few and far between until the beginning of the 21st century This book traces this renewed fascination with Weimar specifically its capital Berlin in contemporary German language culture providing both wide angle and close up views While discussions of the time period in mainstream media and historiography tend to focus on Weimar as a warning against the dangers of economic and political instability the novels and visual works produced by contemporary German writers and filmmakers in the last 15 years revive and reshape the cultural legacy of Weimar Berlin The Afterlives of Weimar Berlin explores the creative interplay between contemporary and historical texts their contexts and their creators tracing a cultural legacy that has the work of German Jews and women as its foundation

### **Wortmeldungen German Edition Introduction**

In today's digital age, the availability of Wortmeldungen German Edition books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Wortmeldungen German Edition books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Wortmeldungen German Edition books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Wortmeldungen German Edition versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Wortmeldungen German Edition books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Wortmeldungen German Edition books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Wortmeldungen German Edition books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Wortmeldungen German Edition books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Wortmeldungen German Edition books and manuals for download and embark on your journey of knowledge?
