Never Saw It Coming An Especial From New American Library:

Never Saw It Coming Linwood Barclay, 2012-08-07 Keisha Ceylon is a psychic At least that's what she tells people She watches the news for stories of missing people then waits a few days and goes to see the family She tells them she's had a vision and that she may know where their missing loved one is for a price of course Keisha's latest mark is Wendell Garfield whose wife disappeared a week ago She's seen him on TV pleading for his wife to come home or for whoever took her to let her go Keisha tells Wendell her vision of what might have happened Unluckily for Keisha her vision turns out to be alarmingly close to the truth As she wades deeper into the mystery Keisha inadvertently finds herself caught in a web of suspicion and violence that's much more complicated than she first thought and which may end up with her own disappearance Also includes a preview of Linwood Barclay's newest thriller *Trust Your Eyes* [Broken Promise](#) Linwood Barclay, 2015-07-28 From New York Times bestselling author Linwood Barclay comes an explosive novel set in the peaceful small town of Promise Falls where secrets can always be buried but never forgotten After his wife's death and the collapse of his newspaper David Harwood has no choice but to uproot his nine year old son and move back into his childhood home in Promise Falls New York David believes his life is in free fall and he can't find a way to stop his descent Then he comes across a family secret of epic proportions A year after a devastating miscarriage David's cousin Marla has continued to struggle But when David's mother asks him to check on her he's horrified to discover that she's been secretly raising a child who is not her own a baby she claims was a gift from an angel left on her porch When the baby's real mother is found murdered David can't help wanting to piece together what happened even if it means proving his own cousin's guilt But as he uncovers each piece of evidence David realizes that Marla's mysterious child is just the tip of the iceberg Other strange things are happening Animals are found ritually slaughtered An ominous abandoned Ferris wheel seems to stand as a warning that something dark has infected Promise Falls And someone has decided that the entire town must pay for the sins of its past in blood **No Safe House** Linwood Barclay, 2014-08-05 The New York Times bestselling author delivers the follow up to *No Time for Goodbye* an electrifying novel of suspense in which a family's troubled past is about to return in more ways than one And this time they may not be able to escape Seven years ago Terry Archer and his family who first appeared in *No Time for Goodbye* experienced a horrific ordeal that nearly cost them their lives Today the echoes of that fateful night are still audible Terry's wife Cynthia is living separate from her husband and daughter after her own personal demons threatened to ruin her relationship with them permanently Their daughter Grace is rebelling against her parents seemingly needless overprotection Terry is just trying to keep his family together And the entire town is reeling from the senseless murder of two elderly locals But when Grace foolishly follows her delinquent boyfriend into a strange house the Archers must do more than stay together They must stay alive Because now they have all been unwillingly drawn into the shadowy depths of their seemingly idyllic hometown For there they will be reconnected with the man who saved their lives seven years ago but who still remains a

ruthless unrepentant criminal They will encounter killers for hire working all sides And they will learn that there are some things people value much more than money and will do anything to get it Caught in a labyrinth between family loyalty and ultimate betrayal Terry must find a way to extricate his family from a lethal situation he still doesn't fully comprehend All he knows is that to live he may have to do the unthinkable

The American Library Annual 1911/12-1917/18 ,1917 Bulletin of the American Library Association American Library Association,1921 **Hope Never to See It** Andrew Fialka,2025-03 Hope Never to See It illustrates two exceptional incidents of occupational and guerrilla violence in Missouri during the American Civil War The first is a Union spy's two week long murder spree targeting civilians and the second is a pro Confederate guerrilla's mutilation of almost 150 U S troops The men leading the atrocities Jacob Terman alias Harry Truman and Bloody Bill Anderson weren't so different Both the Union spy and the infamous Confederate guerrilla claimed to be avenging the deaths of their families operated under orders from military officials and were hard drinkers Their acts outline the terror inflicted on both sides of the struggle This book's use of sequential art displays these grisly realities to mute the war's glorification and to help prompt a modern meaningful reconciliation with the war The moral ambiguities contained within this story call into question our understanding of the laws of war and the ways in which wars end
