Never The Face A Story Of Desire:

Never the Face Ariel Sands, 2011-04-12 Offering a glimpse of exquisite dangerous passions *Never the Face* is a shocking yet beautiful first novel about a young woman's sexual odyssey *Never: A Spiritual Love Story* Frederick Regenold, 2019-10-14 This story is the first version of another novel by Frederick Regenold entitled *Coast Walk* Although each has the same main characters including the dog Rocky the endings are completely different If you like the people and Rocky in this book and you're not sexually timid you might want to check out the other story just for surprises however please be advised that the first 12 chapters are basically the same *Never* is a touching love story It's for readers who believe in love If they don't perhaps after reading it they will If nothing else they'll think twice at the beginning of a romantic involvement *Story/telling* Bronwen Ann Levy, Ffion Murphy, 2001 Story telling is an eclectic and fascinating collection of stories and stories about stories With passion and verve some of Australia's finest writers range through vast territory exploring new directions in film and media enigmas and creativity histories of mothering narratives of indigenous and migrant experience folk country and multicultural music traditions and dilemmas of interpretation These writers appreciate the power of stories for good and ill They interrogate narratives of Australia's past and present and call for new stories for changing times We hear voices raised one moment subdued the next as if we were sitting in the Forum tent at the Woodford Festival knowing that here and just beyond in paint dance music and words stories are happening in delicious abundance

The Journey of Desire John Eldredge, 2016-09-13 In his groundbreaking book *The Journey of Desire* John Eldredge invites readers to Rediscover their God given desire Abandon resignation Search again for the life they once dreamed of Sometimes it seems we just can't get what we want Circumstances thwart our best laid plans We struggle to live a heartfelt life Worst of all says Eldredge the modern church mistakenly teaches its people to kill desire calling it sin and replace it with duty or obligation calling it sanctification As a result at best Christians tend to live safe boring lives of resignation At worst their desire eventually breaks out in destructive ways such as substance abuse affairs and pornography addictions

Volition's Face Andrew Escobedo, 2017-04-30 Modern readers and writers find it natural to contrast the agency of realistic fictional characters to the constrained range of action typical of literary personifications Yet no commentator before the eighteenth century suggests that prosopopoeia signals a form of reduced agency Andrew Escobedo argues that premodern writers including Spenser Marlowe and Milton understood personification as a literary expression of will an essentially energetic figure that depicted passion or concept transforming into action As the will emerged as an isolatable faculty in the Christian Middle Ages it was seen not only as the instrument of human agency but also as perversely independent of other human capacities for example intellect and moral character Renaissance accounts of the will conceived of volition both as the means to self creation and the faculty by which we lose control of ourselves After offering a brief history of the will that isolates the distinctive features of the faculty in medieval and Renaissance thought Escobedo makes

his case through an examination of several personified figures in Renaissance literature Conscience in the Tudor interludes Despair in Doctor Faustus and book I of The Faerie Queen Love in books III and IV of The Faerie Queen and Sin in Paradise Lost These examples demonstrate that literary personification did not amount to a dim reflection of realistic fictional character but rather that it provided a literary means to explore the numerous conundrums posed by the premodern notion of the human will This book will be of great interest to faculty and graduate students interested in medieval studies and Renaissance literature

The Book of Imitation and Desire: Reading Milan Kundera with Rene Girard Trevor Cribben Merrill,2013-03-14 Trevor Cribben Merrill offers a bold reassessment of Milan Kundera s place in the contemporary canon Harold Bloom and others have dismissed the Franco Czech author as a maker of period pieces that lost currency once the Berlin Wall fell Merrill refutes this view revealing a previously unexplored dimension of Kundera s fiction Building on theorist Ren Girard s notion of triangular desire he shows that modern classics such as The Unbearable Lightness of Being and The Book of Laughter and Forgetting display a counterintuitive and bitterly funny understanding of human attraction Most works of fiction and most movies too depict passionate feelings as deeply authentic and spontaneous Kundera s novels and short stories overturn this romantic dogma A pounding heart and sweaty palms could mean that we have found the One at last or they could attest to the influence of a model whose desires we are unconsciously borrowing our amorous predilections may owe less to personal taste or physical chemistry than they do to imitative desire At once a comprehensive survey of Kundera s novels and a witty introduction to Girard s mimetic theory The Book of Imitation and Desire challenges our assumptions about human motive and renews our understanding of a major contemporary author
