INTRODUCTION NOTES

- The manual is divided into sections identified by two figure numbers and each section has independent numbering.
- The different sections can read or be read by consulting the table of contents in the following pages.
- The document number of the manual and the corresponding table are given at the bottom of each page.
- Pages numbered in the back of the identifier have the same document number followed by an additional digit that refers to the manual version: for example 010700000 - for pages 010700001 - the codes 010700002 - etc. The codes refer to the edition or to the version of the manual. The codes are used to identify the information necessary for the production of the manual, it is possible to find a part in the table of contents of the manual.
- The publication will be complete with an appropriate code.
- It is necessary to know the code of the manual (this edition) and have document number 010700000 - the codes for the manual in comparison of the document version 010700000 included with all the codes for pages 010700001 - for pages 010700002 - etc.
- The information contained in the manual can be used on the job printed on each section, in order to be able to identify the correct code, some information may be lost or not contained in publications prepared for technical or commercial reasons or in some high requirements in different markets.
- In the event of conflicting information, consult the 010700000 table and service department.

IMPORTANT WARNINGS

- All maintenance and repair work described in the manual should be performed exclusively by authorized personnel and service technicians in strict accordance with the instructions given and using the specific tools necessary.
- Always performing the operations described herein without strictly following the instructions is personally responsible for any material loss or damage to property.
- The Manufacturer and all representative companies in the Manufacturer's distribution network, including but not limited to national, regional or local distributors, will accept no responsibility for personal injury or damage to property caused by abnormal function of parts and/or components not approved by the Manufacturer, including those used for replacement or repair of the product manufactured or replaced by the Manufacturer.
- In any case, the product manufactured or marketed by the Manufacturer is covered by the guarantee of the Manufacturer and/or its authorized agents or distributors. Abnormal function of parts and/or components not approved by the Manufacturer.
