**Verdict** Senan Molony, 2024-09-12 This is the book that puts all the evidence before the people Jean Pierre Gazeau uncle of Sophie Toscan du Plantier An outstanding and compelling read Michele Martin TD A comprehensive and compelling collection of circumstantial evidence Irish Times Journalist Senan Molony was the first national crime correspondent on the

scene of Sophie Toscan du Plantier's brutal murder in December 1996 ahead of a chain of events that would shock the nation. The 2024 death of prime suspect Ian Bailey reopens the case for Molony who goes behind the scenes to tell the full chilling story from first seeing the Englishman as someone with impressive inside sources to his moment of awakening at Bailey's arrest for a murder the suspect freely wrote about in the national press. The book charts the astonishing early days of a doomed investigation and times thereafter as Bailey a violent misogynist and pathological liar escaped charge or trial in Ireland despite convincing evidence. Including interviews with Sophie's family, key garda investigators, local witnesses and Bailey himself, it explodes commonly held myths and brings to light fresh and disturbing disclosures amounting to damning proof of guilt. Fascinating read. Business Post. Contains many intriguing new pieces of information. Sunday Independent.

**CRÈME DE LA CRIME** Ellina Abdul Majid, Romy smiled disarmingly at the Datin. But with her Versace shades still firmly on and her Cassey Gan mask drawn equally firmly across her face, it was akin to trying to make eye contact with a ninja. PI Romy is a small time detective working the angles to cari makan in a KL on the brink of dystopia because of Covid. Plagued by the demons of his own past, he stolidly bumbles along through life in his socially awkward way, beguiled yet bemused by the antics of his atas clients whom he describes to himself as double confirm weird, laidat. Distinctively Malaysian in essence and locale, the PI Romy detective stories are a nostalgic and irreverent glimpse into the cultural melting pot of 20th century Malaysia in a 21st century setting. Buku Fixi Fixi Novo. **Bogmeadow's Wish** Terry Kay, 2011. When Cooper Coghlan arrives in Ireland with his grandfather's remains, he has one instruction: let my ashes blow in the wind. tradition of Tim O'Brien's *The Things They Carried* Brian O'Hare's *Surrender* is a rich collection of coming-of-age stories a journey into the heart of the American hero myth from the Friday night football fields of Western Pennsylvania to a battalion of Marines in the Persian Gulf and beyond But what happens when the crowds stop cheering and the welcome home parades are over Guilt fear and brutality collide with love and acceptance as a diverse cast of characters struggle to reconcile mythology with reality and to find meaning in a uniquely American chaos In bittersweet stories with surprising humor the characters grapple with the choices they've made and a country they no longer understand Written in spare and unsentimental prose yet with a startling emotional punch these stories and the unforgettable characters who tell them will live long in the reader's imagination
