(Njals Saga) Döring,1877 **Iceland** Richard F. Tomasson,1980 Analysis of the evolution of Icelandic society *The Story of Burnt Njal* Sir George Webbe Dasent,1900 *The Story of Burnt Njal, Or Life in Iceland at the End of the Tenth Century. From the Icelandic of the Njals Saga. By G. W. Dasent. With an Introduction, Maps, and Plans* ,1861 The Biblical Saga of King David John Van Seters,2009-06-30 The biblical story of King David has been interpreted in many different ways arising from the variety of methods used in and the intended objectives of the studies Does the narrative contain insight into and information about the early history of the Judean monarchy or is it merely a legendary tale about a distant past Can we

identify the story's literary genre, its sociohistorical setting, and the intention of its author's. Is an appreciation for the wonderful literary qualities of the story compatible with a literary critical investigation of the narrative's compositional and text critical history? Van Setters reviews past scholarship on the David story and in the course of doing so unravels the history of these questions and then presents an extended appraisal of the debate about the social and historical context of the biblical story. From this critical foundation Van Setters proceeds to offering a detailed literary analysis of the story of David from his rise to power under Saul to his ultimate succession by Solomon.

Evolution of Law: Sources of ancient and primitive law, 1915 **Chaos & Love** Thomas Bredsdorff, 2001 Bredsdorff Scandinavian literature U of Copenhagen analyzes the Icelandic family sagas as literature. He argues that the significant recurring pattern of events in the sagas is one of clashes brought about by the intersection of the code of honor and bloodfeud with people's sexual drives, he says. The two combined set the catastrophe in motion. The volume is not indexed. Distributed in the U.S. by ISBS c Book News Inc. Law and Justice in Literature, Film and Theater Karen-Margrethe Simonsen, 2013-03-22 This volume is a Nordic contribution to research on law and humanities. It treats the legal culture of the Nordic countries through intensive analyses of canonical Nordic artworks. Law and justice have always been important issues in Nordic literature, film, and theater, from the Icelandic sagas through Ludvig Holberg and Henrik Ibsen to Lars Norr's theatre and Lars von Trier's Dogme films of today. This book strives to answer two fundamental questions: Is there a special Nordic justice? And what does the legal and literary aesthetic culture of the North mean for the concept of law and justice and for the understanding of the interdisciplinary exchange of law and humanities? The concept of law and literature as a research area was originally developed in countries of common law. This book investigates law and humanities from a different legal tradition and contributes thus both to the discussion of the general and the comparative studies of law and humanities.
