No More Divorce for You and Me Randy Morrow,2012-06-01 This is a MUST READ Page if You Want to Understand How the Book is Written I am writing this book not to be perfect but to be helpful The best way to understand the book is to think of each chapter as an individual story or lesson learned In fact the best way to use it is to either a just open up to a page or b look at the index to find the subject for which you are looking Nothing in this book is theory I actually experienced everything I am one of those people who failed their way forward in life until I finally became the person of whom I am proud
