ecumenical development Single minded pioneers and advocates of Eucharistic Table fellowship each Sunday the Disciples forged a unique experience of worship within the restorationist paradigm What did this worship look like A free tradition explicitly non liturgical these Christian communities were open to the directives of the Scriptures and the inspiration of the Spirit There were no official texts Yet there was a plethora of worship books and aids in effect unofficial texts operating to guide inform and develop the Disciples understanding of the Lord s Table and their worship For the first time these devotional books have been uncovered and studied revealing something of the deeper influences behind Disciples practice the common lines of thought and ritual that unknowingly bind the communities and the difficulties that have emerged in light of ongoing ecumenical worship and research
