**Gedoodles** Harry M. Geduld, 2012-01-23 Gedoodles is the first of Harry Geduld's two volumes of mainly comic verse. It also contains a revised Obituary written by himself and a short story entitled *The Keepsake*. **The Creative Writing Handbook** John Singleton, Mary Luckhurst, 2000-04-02 This revised and updated edition of *The Creative Writing Handbook* now includes new chapters on writing for stage and radio and on writing screenplays for film and television. Written by professional writers and tutors, it covers all aspects of the writing process from drafting first thoughts to shaping them into polished and publishable work. In a series of lively and stimulating chapters, all major areas of writing are explored from screen writing to short fiction, from autobiography to experimental prose. The Handbook offers new and experienced writers a whole range of creative ideas, sound advice, and open-ended tasks for exploring experience, mastering technique, and thereby releasing the full potential of the imagination. As most taught courses in creative writing are in workshop form, each chapter includes invaluable ideas on how to run group sessions and offer a rich fund of suggestions for developing writing beyond the workshop. **Beyond Political Correctness** Michael S. Cummings, 2001 The reason that the right dominates debates on crime, family values, and economic freedom while the left defends diversionary policies such as affirmative actions and equivocates on ecology and the political empowerment of the young, argues Cummings, is that too many progressives have avoided politically sensitive issues, thus condemning themselves to intellectual atrophy and political ineffectiveness. c. Book News Inc. **101 Politically Incorrect Limericks** Kuyper Gary (author), 1901 *College Admissions Data Sourcebook Northeast Edition Bound 2010-11*, 2010-09 **Practical English Handbook** Floyd C. Watkins, William B. Dillingham, 1996 *The Practical English Handbook* includes concise explanations, abundant examples, and models, ample practice opportunity, and help with all stages of the writing process. A coding system breaks down topics and facilitates student use. The book's compact size allows it to fit comfortably in the hand, while the durable sewn binding will withstand constant use. The MLA and APA documentation guidelines thoroughly reflect the most recent changes.

**Limerick Constitutional Nationalism, 1898-1918** Tadhg Moloney, 2010-02-19 This book analyses local politics in Limerick from 1898 to 1918, reaching back to the Parnellite split and forward to the post-independence era. It explores at local level the relevance of the commemoration of 1798, the reunification of the Irish Parliamentary Party, and the emergence of multiple cultural and political movements, as well as the demise of Unionism. The question posed is twofold: whether nationalist constitutional politics changed over this time period, on the one hand, and whether they were driven by local or national concerns, on the other. The conclusion is that the spirit of politics was intensely local; that political patronage was largely locally controlled; and that there were greater continuities than ruptures in the composition and behaviour of political elites. In fact, long-term continuities of personnel, social class, and political allegiance existed side by side with the ability of existing structures to absorb change and to adapt in the light of wider political developments and internal manoeuvres. **The**
