Pierre-Esprit Radisson: The Collected Writings Germaine Warkentin, 2014-10-01 Pierre Esprit Radisson 1636 1710 was many men He was a teenager captured tortured and adopted by the Mohawk and a youth relishing the freedom of the wilderness He was the French born servant of an ambitious English trading company and a hapless petitioner at the court of Louis XIV He was a central figure in the tug of war between France and England over Hudson Bay and a pretender to aristocratic status who had to defend his actions before James II Finally he was a retired sea captain trying to provide for his children and despite the pension he had fought for the decayed Gentleman described in his burial record Radisson's writings characterized by hubris and contradiction provoke many questions Was he a semi literate woodsman Are his accounts of Native life ethnographically reliable Can he be trusted to tell the truth about himself How important were his explorations All these questions are raised in this first critical edition of Radisson's writings in both English and French which includes previously unknown documents Volume 1 follows Radisson's account of the decade he spent in part with his brother in law M dard Des Groseilliers exploring far into the interior of North America In Volume 2 Radisson recounts his part in the battle over possession of Hudson Bay waged in the 1680s by England and France his difficulties at the French and English courts and his struggle with the Hudson's Bay Company for his just reward Striking a superb balance between accessible writing and comprehensive scholarship this new edition of Radisson's writing is indispensable definitive and reasserts the important roles that Radisson played in seventeenth century North American rivalries Corpus Reformatorem, 1890 *The Knight, the Cross, and the Song* Stefan Vander Elst, 2017-03-16 The Knight the Cross and the Song offers a new perspective on the driving forces of crusading in the period 1100 1400 Although religious devotion has long been identified as the primary motivation of those who took the cross Stefan Vander Elst argues that it was by no means the only focus of the texts written to convince the warriors of Western Christianity to participate in the holy war Vander Elst examines how across three centuries historiographical works that served as exhortations for the Crusade sought specifically to appeal to aristocratic interests beyond piety They did so by appropriating the formal and thematic characteristics of literary genres favored by the knightly class the chansons de geste and chivalric romance By using the structure commonplaces and traditions of chivalric literature propagandists associated the Crusade with the decidedly secular matters to which arms bearers were drawn This allowed them to introduce the mutual obligation between lord and vassal family honor the thirst for adventure and even the desire for women as parallel and complementary motivations for Crusade making chivalric and literary concerns an indelible part of the ideology and practice of holy war Examining English Latin French and German texts ranging from the twelfth century Gesta Francorum and Chanson d'Antioche to the fourteenth century Krönike von Preussenant and La Prise d'Alexandre The Knight the Cross and the Song traces the historical development and geographical spread of this innovative use of secular chivalric fiction both to shape the memory and interpretation of past

events and to ensure the continuation of the holy war Histoire Universelle de Jacque Auguste De Chow, 5 Jacque Auguste De Thou,1734 **Esquisse Morale Et Politique Des Etas-Unis de L'Amerique Du Nord** Achille Murat,1832
