Language and Characterisation in Television Series Monika Bednarek, 2023-03-15 This book explores how language is used to create characters in fictional television series To do so it draws on multiple case studies from the United States and Australia Brought together in this book for the first time these case studies constitute more than the sum of their parts They highlight different aspects of televisual characterisation and showcase the use of different data methods and approaches in its analysis Uniquely the book takes a mixed method approach and will thus not only appeal to corpus linguists but also researchers in sociolinguistics stylistics and pragmatics All corpus linguistic techniques are clearly introduced and explained and the book is thus accessible to both experienced researchers as well as novice researchers and students It will be essential reading in linguistics literature stylistics and media television studies

A Series of Dreams Tony Martin, 2011-10-19 The contents of this book are the meanderings of a man whose mind never stops always filled with thoughts that come from all angles a mind that can suddenly drift into the darkness of depression and wander through the twilight and back into the realms of normality whatever that is and when these thoughts appear they have to be written down some are meaningful some are quite pointless but written down they are the title of this book if allowed is borrowed from a song by Bob Dylan hope he doesn t mind
