Saving Myself From Me:

Saving Myself from Me Ernestine Hopkins,2014-12-06 Ashley is a loner at school who yearns to belong and struggles with low self esteem What her family doesn't know is that behind her smiles she is keeping painful secrets The more she tries to cope with her secrets alone the worse her situation becomes She is faced with the tough decision of whether or not to continue to push forward or give up on life all together *Rescuing Riley, Saving Myself* Zachary Anderegg,2013-11-01

While hiking on a solo vacation in a remote uninhabitable region of Arizona Zachary Anderegg happened upon Riley an emaciated puppy clinging to life at the bottom of a 350 foot canyon In a daring act of humanity that trumped the deliberate savagery behind Riley's presence in such a place Zak single handedly orchestrated a delicate rescue What didn't come out in the initial burst of publicity this story received is that Zak and Riley's destinies were intertwined long before they improbably found each other For much of Zak's childhood he was at the bottom of a veritable canyon himself a canyon whose imprisoning depth and darkness was created by bullies who just wouldn't quit and parents who weren't capable of love From the age of five Zak was everyone's favorite target When Zak came upon Riley the puppy's condition bespoke his abusers handiwork three shotgun pellets embedded beneath his skin teeth turned permanently black from malnutrition The meeting was one of a man and a dog singularly suited to save each other As a former US Marine sergeant Zak was one of only a few people with the mettle and physical wherewithal to get Riley out And in rescuing him Zak was also attempting to save himself conquering the currents of cruelty that swelled beneath his early life and always threatened to drown him One Day I Will Save Myself Elvira Sastre,2019-05-14 The debut US poetry collection from social media star Elvira Sastre exploring the sharp slippery moments that turn a beloved relationship into something self destructive Counting the days that pass after a devastating breakup Elvira Sastre confronts the haunting questions that surround every failed relationship What happened Where did it all go wrong How did it all fall apart With a bold lyrical voice poised on the knife's edge of romance and grief Sastre evokes the heady rush of first love and the sorrow of its painful end even as she learns to pick up the pieces and move on after the worst has happened At once deeply personal and universally resonant painful and resoundingly hopeful *One Day I Will Save Myself* speaks to the poet in all of us An intimate journey through loving losing and living that inspires readers to begin their own healing and is perfect for fans of *Rupi Kaur* *rh Sin* and *Atticus* save me from myself André
