Saving The Baby:

Saving Baby Jo Anne Normile, Lawrence Lindner, 2014-10-21 If we see cruelty or wrong that we have the power to stop and do nothing we make ourselves sharers in the guilt Anna Sewell author of *Black Beauty* Jo Anne Normile was not supposed to keep the foal an exuberant Thoroughbred with only a few white hairs on his reddish brown forehead But she fell in love with the young horse who had literally been born into her arms The breeder finally said she could keep the colt whom she nicknamed Baby but only if she raced him It was difficult to take Baby away from the safety of his pasture But Normile had made a promise Besides horseracing had always come across as a glamorous blend of mint juleps and celebrity of equine grace and speed It was a vision she found appealing And she fell hard for it this Sport of Kings She experienced a thrill every time Baby sprinted around the track edging out other horses But the magic that enchants is a veneer For every Seabiscuit there are tens of thousands of racehorses whose lives end in pain and despair with indifference and corruption that runs rampant through the world of horse racing Normile knew none of this Not until an accident on a poorly maintained track That s when everything changed That s when Normile founded the most successful horse rescue in the country an organization that would go on to save more horses than anyone else ever had That s when she knew she had no other choice *Saving Baby* is Jo Anne Normile s story of perseverance and passion A heartbreaking and ultimately life affirming book it testifies to the transcending power of hope and the unshakeable bond of love *Saving Baby Doe* Danette

Vigilante, 2014-03-20 Lionel and Anisa are the best of friends and have seen each other through some pretty tough times Anisa s dad died and Lionel s dad left which is like a death for Lionel They stick together no matter what So when Lionel suggests a detour through a local construction site on their way home Anisa doesn t say no And that s where Lionel and Anisa make a startling discovery a baby abandoned in a port o potty Anisa and Lionel spring into action And in *Saving Baby Doe* they end up saving so much more Danette Vigilante crafts an accessible heartfelt and much needed story for the middle grade market featuring Latino characters *Saving Baby Amy* Annie Claydon, 2017-07-01 Brought together and bound

forever Fiercely independent orthopedic doctor Chloe Delancourt will do anything for her teenage sister Hannah and little niece Amy So when Amy falls ill and Hannah runs away Chloe steps in with the help of gorgeous pediatrician Jon Lambert igniting an unexpected attraction *Saving baby Amy* brings Jon closer than he ever wanted to get to another woman after his disastrous marriage But Chloe s determination and unwavering loyalty remind Jon of what a real family should be and that this could be his chance to have everything with Chloe **General Federation of Women's Clubs Magazine** ,1917 pt.

of whatever ultimately matters So if maximizing happiness is what ultimately matters then we ought to perform the option
that results in the most happiness And if instead abiding by the Golden Rule is what ultimately matters then we ought to
perform the option that best abides by this rule However even if we know what ultimately matters this is not always sufficient
for determining which option we ought to perform There are other questions that we need to consider as well Which events
are options for us How do we rank our options in terms of their own goodness or in terms of the goodness of the best options
that entail them How exactly does that which ultimately matters determine which options we ought to perform In **Opting for
the Best** Douglas W Portmore focuses on these three questions which he argues can best be answered by putting aside any
specific determination of what ultimately matters He argues that tackling these three questions is crucial to solving many of
the puzzles concerning what we ought to do including those involving supererogation indeterminate outcomes
overdetermined outcomes predictable future misbehavior and good acts that entail bad acts among others Engaging with
arguments in areas as wide ranging as action theory and deontic logic the solutions that Portmore offers systematize our
