Harper's Young People, 1885 **The Country Gentleman**, 1928 **Cross-X** Joe Miller, 2007-10-02 In Cross X journalist Joe Miller follows the Kansas City Central High School's debate squad through the 2002 season that ends with a top ten finish at the national championships in Atlanta By almost all measures Central is just another failing inner city school Ninety nine percent of the students are minorities Only one in three graduate Test scores are so low that Missouri bureaucrats have declared the school academically deficient But week after week a crew of Central kids heads off to debate tournaments in suburbs across the Midwest and South where they routinely beat teams from top ranked schools In a game of fast talking wit and sheer brilliance these students close the achievement gap between black and white students an accomplishment that educators and policy makers across the country have been striving toward for years Here is the riveting and poignant story of four debaters and their coach as they battle formidable opponents from elite prep schools bureaucrats who seem maddeningly determined to hold them back friends and family who are mired in poverty and drug addiction and perhaps most daunting their own self destructive choices In the end Miller finds himself on a campaign to change debate itself certain that these students from the Eastside of Kansas City may be the saviors of a game that is intrinsic to American democracy

Sweet Like Sugar Wayne Hoffman, 2011-05-26 An accidental friendship unfolds between a widowed octogenarian Orthodox rabbi and a gay Jewish twenty something in this witty thoughtful novel In Yiddish there is a word for it bashert the person you are fated to meet Twentysomething Benji Steiner views the concept with skepticism But the elderly rabbi who stumbles into Benji's office one day has no such doubts Jacob Zuckerman's late wife Sophie was his bashert And now that she's gone Rabbi Zuckerman grapples with overwhelming grief and loneliness Touched by the rabbi's plight Benji becomes his helper driving him home after work sitting in his living room listening to stories Their friendship baffles everyone especially Benji's sharp tongued modestly observant mother But Benji is rediscovering something he didn't know he'd lost Yet the test of friendship and of both men's faith lies in the difficult truths they come to share With each revelation Benji learns what it means not just to be Jewish but to be fully human imperfect striving and searching for the pieces of ourselves that come only through another's acceptance Praise for *Sweet Like Sugar* A story that is beautifully told profound and funny Jonathan Rosen author of *Joy Comes In The Morning* A stirring story about the face of love on many different levels
