No Bones about It Kelly Landgraf, 2011-11 I had never given a thought to the fact that Ava's interest in dinosaurs would eventually lead to a myriad of questions that I was unable to answer due to my complete ignorance on the subject In today's world our children are exposed on a daily basis to information that is contradictory to God's word We need to be constantly diligently teaching them instructing them If we don't they will access information somewhere else When Kelly Landgraf's trip to the museum with her young daughter opened her eyes to the evolutionary myths that inundate children at every turn she became passionate about equipping parents to raise their children in the knowledge of God by filtering evolutionary teachings through the truth of Scripture and creation As a teacher and a parent who has done extensive research on the evolution v creationism debate Kelly is uniquely qualified to speak to parents and children on this subject While teaching seventh grade in the public school system and studying for her master's of education Landgraf realized that most American elementary students will never have access to truth about human origins and science unless their parents and churches teach them In *No Bones About It* Kelly makes an informed and effective argument for creation that will help children and parents take a stand for truth

No Bones about It Anna Prokos, 2017 Have you ever seen an elephant in a zoo You know they are very big and can weigh as much as a school bus Millions of years ago there was a dinosaur on Earth called Brachiosaurus One Brachiosaurus weighed as much as 17 elephants Can you imagine how big some dinosaurs must have been In this book readers explore a world where dinosaurs roam And learn fascinating facts about dinos along the way

No Bones About It Donna Huston Murray, On the heels of a nasty divorce a dog trainer is blamed for her ex husband's suspicious death Evidence suggests she programmed their jointly owned guard dog to attack the prominent diet doctor but did she As the accused is being led off in handcuffs she begs her friend and sometime sleuth Ginger Barnes to save the valuable German shepherd's life Impossible unless Gin can first vindicate her friend
