Ronald Kessler Secret Service Book:

The First Family Detail Ronald Kessler, 2014-08-05 NEW YORK TIMES BESTSELLER Ron Kessler appears to get everything first. As in a play, presidents, vice presidents, and presidential candidates perform onstage for the public and the media. What the nation's leaders are really like and what goes on behind the scenes remain hidden. Secret Service agents have a front row seat on their private lives and those of their wives and children. Crammed with new headline-making revelations, *The First Family Detail* by New York Times bestselling author Ronald Kessler tells that eye-opening uncensored story. *The First Family Detail* reveals Vice President Joe Biden regularly orders the Secret Service to keep his military aide with the nuclear football a mile behind his motorcade, potentially leaving the country unable to retaliate in the event of a nuclear attack. Secret Service agents discovered that former president Bill Clinton has a blond mistress code named Energizer by agents who lives near the Clintons home in Chappaqua, New York. The Secret Service covered up the fact that President Ronald Reagan's White House staff overruled the agency to let unscreened spectators get close to Reagan as he left the Washington Hilton, allowing John W. Hinckley Jr. to shoot the president. Because Hillary Clinton is so nasty, agents being assigned to her protective detail is considered a form of punishment and the worst assignment in the Secret Service. Kessler's such a skilled storyteller you almost forget this is dead serious nonfiction. Newsweek

In the President's Secret Service Ronald Kessler, 2009-08-04 After conducting exclusive interviews with more than one hundred current and former Secret Service agents, bestselling author and award-winning reporter Ronald Kessler reveals their secrets for the first time. Never before has a journalist penetrated the wall of secrecy that surrounds the U.S. Secret Service, that elite corps of agents who pledge to take a bullet to protect the president and his family. Kessler portrays the dangers that agents face and how they carry out their missions, from how they are trained to how they spot and assess potential threats. With fly-on-the-wall perspective, he captures the drama and tension that characterize agents' lives and reveals what they have seen, providing startling, previously untold stories about the presidents from John F. Kennedy and Lyndon Johnson to George W. Bush and Barack Obama, as well as about their families, Cabinet officers, and White House aides.

The Trump White House Ronald Kessler, 2018-04-03 The unvarnished and unbiased inside story of President Donald Trump and his White House by New York Times bestselling author Ronald Kessler. Based on exclusive interviews with the president and his staff, *The Trump White House: Changing the Rules of the Game* tells the real story of what Donald Trump is like, who influences him, how he makes decisions, what he says about the people around him, and how he operates when the television lights go off while portraying the inside story of the successes that have already brought solid results, as well as the stumbles that have turned off even longtime supporters and undercut his agenda. *The Trump White House* reveals Trump aides Ivanka Trump and her husband Jared Kushner have been responsible for Trump's most disastrous decisions. Trump is aware that his daughter and son-in-law are problems and has hinted to them that they should go back to New York. Seeing Jared on TV, Trump said, "Look at Jared, he

Secret Service Ronald Kessler,2014-05-10 Because Secret Service agents are sworn to secrecy the American public rarely knows what presidents vice presidents presidential candidates and Cabinet officers and their families are really like If they did says a former Secret Service agent They would scream The FBI Ronald Kessler,1994 An explosive expose from the bestselling author whose investigation brought down FBI director William S Sessions Offered unprecedented access and cooperation Kessler reveals the inner workings of the modern FBI and the methods powers and secrets of the people who run the Bureau 16 page insert **Hunting the President** Mel Ayton,2014-04-14 In American history four U S Presidents have been murdered at the hands of an assassin In each case the assassinations changed the course of American history But most historians have overlooked or downplayed the many threats modern presidents have faced and survived Author Mel Ayton sets the record straight in his new book Hunting the Presidents Threats Plots and Assassination Attempts From FDR to Obama telling the sensational story of largely forgotten or never before revealed malicious attempts to slay America s leaders Supported by court records newspaper archives government reports FBI files and transcripts of interviews from presidential libraries Hunting the Presidents reveals How an armed would be assassin stalked President Roosevelt and spent ten days waiting across the street from the White House for his chance to shoot him How the Secret Service foiled a plot by a Cuban immigrant who told coworkers he was going to shoot LBJ from a window overlooking the president s motorcade route How a deranged man broke into Reagan s California home and attempted to strangle the former president before he was subdued by Secret Service agents In early 1992 a mentally deranged man stalking Bush turned up at the wrong presidential venue for his planned assassination attempt The relationships presidents held with their protectors and the effect it had on the Secret Service s mission Hunting the Presidents opens the vault of stories about how many of our recent Presidents have come within a hair s breadth of assassination leaving America s fate in the balance Most of these stories have remained buried until now Includes glossy photo signature of historic pictures and documents **Who's Who in the Secret Service** Vincent Palamara,2018-08-22 America s oldest law enforcement agency the United States Secret Service has never been exposed like this before The Secret Service has made many headlines through the decades especially in the last five years This book presents a thorough look at more than 100 of the most famous infamous and interesting agents who have protected presidents from William McKinley to John F Kennedy to President Trump and everyone in between Students of history will find much to contemplate in this revealing entertaining and sometimes disturbing book Readers will never look at the men who guard the president the same way ever again *The Arrogance of Power* Anthony Summers,2001-08-01 The controversial New York Times bestselling biography of America s most infamous president written by a master of investigative political reporting Anthony Summers s towering biography of Richard Nixon reveals a tormented figure whose criminal behavior did not begin with Watergate Drawing on more than a thousand interviews and five years of research Summers traces Nixon s entire career revealing a man driven by addiction to power and intrigue His subversion of

democracy during Watergate was the culmination of years of cynical political manipulation Evidence suggests the former president had problems with alcohol and prescription drugs was mentally unstable and was abusive to his wife Pat Summers discloses previously unrevealed facts about Nixon s role in the plots against Fidel Castro and Salvador Allende his sabotage of the Vietnam peace talks in 1968 and his acceptance of funds from dubious sources The Arrogance of Power shows how the actions of one tormented man influenced 50 years of American history in ways still reverberating today Summers has done an enormous service The inescapable conclusion well body guarded by meticulous research and footnotes is that in the Nixon era the United States was in essence a rogue state It had a ruthless paranoid and unstable leader who did not hesitate to break the laws of his own country Christopher Hitchens The New York Times Book Review A superbly researched and documented account the last word on this dark and devious man Paul Theroux

8 Reasons Why I am No Longer A Democrat! Dr. Glenn Pinckney Sr,2016-11-21 This book is written in this manner size and style to easily show the biblical relevance of our civic actions as well as improving our daily relationship with our Lord My utmost desire is that Born Again Believers embrace the truth of Christ like living not religiously but in reality A reality that transcends tradition customs and we ve always done it this way kind of thinking I grew up in the South where traditions and customs run deep However God s Word inspired me to think about many of these customs For example many Southern Black people regardless of academic achievements pronounces the word ask as axe without thinking about why Also many vote for Democrats their entire lives without any regard to the Democratic Party s Platform the Candidate s stand on abortion homosexuality lesbianism or any other social issues Yet on Sundays they will worship and praise God Then on Tuesdays they will vote in direct contradiction to the very God they worshipped and praised just a few days before We simply vote as Democrats as if it s in our DNA not giving thought to how our vote will enable the enemy of our soul to move against our beliefs our church even our Salvation Is that biblically correct Well as Believers in Jesus the Redeemer of mankind our DNA has been transformed Shouldn t we reflect that change in our daily lives as well as in our civic responses to social issues in our community and our country It is my prayer that the reader will get answers to these and other questions that confront a child of God traveling through this journey of life with the Savior

Marilyn Monroe: a Case for Murder Jay Margolis,2011-08-03 It is one of the greatest mysteries of the twentieth century How did Marilyn Monroe die Although no pills were found in her stomach during the autopsy it was still documented in the Los Angeles coroner s report that she had swallowed sixty four sleeping pills prior to her demise In Marilyn Monroe A Case for Murder biographer Jay Margolis presents the most thorough investigation of Marilyn Monroe s death to date and shares how he reached the definitive conclusion that she was murdered Margolis meticulously dissects the events leading up to her death revealing a major conspiracy and countless lies In an exclusive interview with actress Jane Russell three months before her death he reveals Russell s belief that Monroe was murdered and points the finger at the man she held responsible While examining the actions of Peter Lawford Bobby Kennedy and Monroe s

psychiatrist Dr Ralph Greenson Margolis establishes a timeline of her last day alive that leads to shocking revelations In August 1962 Marilyn Monroe s lifeless body was found on her bed leaving all to wonder what really happened to the beautiful young starlet Marilyn Monroe A Case for Murder provides a fascinating examination of one of the most puzzling deaths of all time **Survivor's Guilt** Vincent Palamara,2013-10-01 Painstakingly researched by an authority on the history of the Secret Service and based on primary firsthand accounts from more than 80 former agents White House aides and family members this is the definitive account of what went wrong with John F Kennedy s security detail on the day he was assassinated The work provides a detailed look at how JFK could and should have been protected and debunks numerous fraudulent notions that persist about the day in question including that JFK ordered agents off the rear of his limousine demanded the removal of the bubble top that covered the vehicle and was difficult to protect and somehow directly or indirectly made his own tragic death easier for an assassin or assassins This book also thoroughly investigates the threats on the president s life before traveling to Texas the presence of unauthorized Secret Service agents in Dealey Plaza the site of the assassination the failure of the Secret Service in monitoring and securing the surrounding buildings overhangs and rooftops and the surprising conspiratorial beliefs of several former agents An important addition to the canon of works on JFK and his assassination this study sheds light on the gross negligence and in some cases seeming culpability of those sworn to protect the president

Protecting the Presidential Candidates Mel Ayton,2021-11-24 Protecting the Presidential Candidates is the first book of its kind to examine how presidents and presidential candidates were protected during the presidential election cycles from JFK to Biden It is also the first book of its kind to tell the story of the role of state troopers and private bodyguards in protecting presidential candidates Protection for candidates changed and evolved from the free wheeling style of the 1950s and early 1960s which afforded presidential candidates little or no protection to the growth of bodyguard personnel increased intelligence facilities and state of the art technology employed today to keep the candidates safe Presidential candidates relish connecting with the public and it has given greater visibility to the bodyguards who are willing to place themselves between a presidential candidate and a would be attacker In the milieu in which the Secret Service operates bodyguards have witnessed the terrors of election campaigns when presidential candidates have waded into crowds to shake hands with their supporters rode in open top cars and made sudden but risky changes to their schedules oblivious to the fact that in every campaign there have been people stalking candidates with ill intent Many stories revealed in Protecting the Presidential Candidates have remained largely hidden from the public some buried in newspaper archives and others in oral histories presidential libraries or official government documents The author draws on numerous sources including FBI files presidential biographies vice presidential biographies civilian bodyguard memoirs Secret Service agent memoirs White House staff memoirs and more so that these stories can now be told The book also allows readers to gain an insight into the personal as well as professional relationships between the candidate and the bodyguards who protected them Some

candidates were so trusting of their bodyguards they embraced them as part of an inner circle of advisers Bodyguards have also witnessed embarrassing moments in a candidate's campaign and how intrusive they have been at the most delicate of moments The president's day is your day one agent said Nobody sees the president the way an agent does *Not-So-Secret Service* Vincent Palamara, 2017-04-21 While there haven't been many Secret Service related books about US presidents the ones still in print and even those long out of print are often sanitized memoirs of a politically correct nature or tell all tabloid historical junk meant merely for entertainment purposes The Not So Secret Service provides the facts with the bark off so to speak and reveals politically incorrect information of a decidedly unsafe nature It may be controversial and against the grain but this book is heavily documented and timely as the Secret Service guards our political candidates foreign dignitaries and of course the President the first family and the ex presidents and their families **Summary: A Matter of Character** BusinessNews Publishing, 2017-01-30 The must read summary of Ronald Kessler's book A Matter of Character Inside the White House of George W Bush This complete summary of A Matter of Character by Ronald Kessler a bestselling non fiction author and renowned American journalist outlines the findings of his independent investigation into the character of George W Bush during his time as US president against a backdrop of media bias and heavy criticism both nationally and internationally It summarises the interviews Kessler undertook with people in his administration and illustrates that despite his failings George W Bush always showed the important qualities of strong character and leadership Added value of this summary Save time Understand the inner workings of the Bush administration Expand your knowledge of American politics To learn more read A Matter of Character and discover Ronald Kessler's findings on Bush's character and leadership despite the large amount of criticism he received *Big Book of Spy Stuff* Bart King, 2011-03-01 Through King's entertaining text kids will uncover what lies beyond the sunglasses and disguises of some famous and not so famous sneaks Kids will learn all about the history of spying what goes into a secret agent tool kit and how to decode a secret message The Big Book of Spy Stuff even covers what spies should do when they run into an ethical dilemma From fighting off tricycle riding assassins to learning how squirrels can deliver their top secret messages there's never a dull moment when it comes to taking on a secret identify Discover essential spy skills like Eavesdropping Sending messages in secret code Writing in invisible ink Choosing the coolest code name ever Spotting a liar using their body language What to do when you get caught **Im Secret Service** Ronald Kessler, 2010-03-15 Nie zuvor wurde das Schweigen gebrochen das den Secret Service bislang umgab diese Einheit von Eliteagenten die den US Pr sidenten und seine Familie unter Einsatz des eigenen Lebens besch tzen Der mehrfach preisgekr nte Journalist und Bestsellerautor Ronald Kessler hat exklusive Interviews mit ber hundert ehemaligen und jetzigen Agenten des Secret Service gef hrt und enth llt in diesem Buch zum ersten Mal ihre Geheimnisse **At the Breaking Point of History** Janet Phelan, 2021-09-14 Today we find ourselves embroiled in the midst of a pandemic one which has collapsed economies caused death by starvation and has resulted in severe new restrictions on civil rights in the

US and elsewhere Numerous medical professionals and researchers are questioning the genesis of the Covid 19 agent whether or not it was bioengineered and deliberately released and are also questioning the course taken to shut down whole countries and demand that people stay at home Questions have also been raised as to the verifiability of the numbers alleged to have died from this novel coronavirus pointing to dictates from the CDC to list deaths not directly caused by the virus as virus caused deaths In the midst of this chaos these articles written long before the Covid 19 pandemic point to a monstrous political agenda implicating media government and foreign nations in the plan to launch this As the country begins to reopen the trajectory of these articles should result in grave concern for what the future may hold
