**The Oxford Handbook of Indigenous Sociology** Maggie Walter, Tahu Kukutai, Angela Gonzales, Robert Henry, 2023

The Oxford Handbook of Indigenous Sociology challenges the traditional way that Indigenous Peoples and Societies are understood within the discipline. It does so by bringing together 40 leading and emerging Indigenous scholars from across the CANZUS Countries to provide for the first time an authoritative state of the art survey of Indigenous sociological thinking. These authors demonstrate that the Indigenous sociological voice is a new sociological paradigm and demonstrates a distinctively Indigenous methodological approach.
