## **Saudi Arabia Calendar 1436:**

**Planet Patriarchy** Beatrix Campbell, Rahila Gupta, 2025-07-17 In 1995 the UN vowed to advance equality development and peace for all women everywhere Instead in the Beijing Declaration s thirtieth anniversary year the world is lurching dangerously away from such democratic and progressive ideals reinventing nationalist identities based on toxic masculine values and embracing economic policies against women s interests This reality exists in every type of country Why does oppression rather than feminism still dominate our world This book reveals patriarchy s many faces in the age of globalisation exploring the political systems and cultures of eight very different societies It takes readers from the extraordinary anti capitalist women s revolution in Kurdistan to the theocracies of Islamic State and Saudi Arabia from China s one party state to Iceland s democracy and to South Africa Russia and El Salvador all radically changed since the fall of apartheid communism and military dictatorship respectively Despite patriarchy s remarkable shapeshifting powers to undermine feminist solidarity Planet Patriarchy is equally a story of sisterhood and resistance interviewing defenders of women s rights about their cause and their country Gender inequality endures everywhere but so does feminism Campbell and Gupta s fascinating discoveries show us how this timeless showdown is taking shape in and being shaped by the systems we live under today
