Save Me The Waltz Zelda Fitzgerald, 2012-05-08 Southern belle Alabama Beggs is married to the successful but philandering artist David Knight Desperate for David's attention and for success in her own right Alabama devotes herself to building and ultimately achieving success as a ballerina Returning to the South following the death of Alabama's father the couple must confront their unhappy marriage and future together The only novel by Zelda Sayre Fitzgerald *Save Me the Waltz* is a semi autobiographical account of her marriage to acclaimed author F Scott Fitzgerald Written while she was being treated for schizophrenia at the Phipps Clinic Zelda Fitzgerald's *Save Me the Waltz* is evocative of high society in the Jazz Age and a woman's quest to define herself both within and outside of her marriage HarperPerennial Classics brings great works of literature to life in digital format upholding the highest standards in ebook production and celebrating reading in all its forms Look for more titles in the HarperPerennial Classics collection to build your digital library [Save Me the Waltz](#)

Zelda Fitzgerald, 2013-07-09 *Save Me the Waltz* is the first and only novel by the wife of F Scott Fitzgerald During the years when Fitzgerald was working on *Tender Is the Night* Zelda Fitzgerald was preparing her own story which parallels the narrative of her husband throwing a fascinating light on F Scott Fitzgerald's life and work In its own right it is a vivid and moving story the confessions of a famous slightly doomed glamour girl of the affluent 1920s which captures the spirit of an era *Readings of Trauma, Madness, and the Body* S. Anderson, 2012-09-14 In *Readings of Trauma Madness and the Body*

Anderson explores how Modernist fiction narratives by Hemingway the Fitzgeralds and H D represent trauma specifically addressing the conflict between speaking about and repressing traumatic memories while also considering how authors' understandings of gender influence their depictions **Forgotten Tales of Alabama** Kelly Kazek, 2010-09-29 Alabama tales that have existed only in rumor legend and lore are uncovered in this volume of strange funny far fetched unique and gripping stories from Muscle Shoals to Mobile From Muscle Shoals to Montgomery to Mobile there's just no place quite like Alabama Take a journey off the beaten path through the Cotton State with author Kelly Kazek as she uncovers the stories that make Alabama one of a kind Kazek a longtime Alabama resident unearths tales that have existed only in rumor anecdote legend and lore This collection is packed with little known stories of strange sites like the world's largest Nehi bottle curious critters like the first monkey in space and colorful characters such as the outlaw Tom Clark Whether funny far fetched gripping or grisly *Forgotten Tales of Alabama* is filled with stories you won't soon forget **The Romance of Regionalism**

in the Work of F. Scott and Zelda Fitzgerald Kirk Curnutt, Sara A. Kosiba, 2022-09-07 *The Romance of Regionalism in the Work of F Scott and Zelda Fitzgerald* The South Side of Paradise explores resonances of Southernness in works by American culture's leading literary couple At the height of their fame F Scott and Zelda Fitzgerald dramatized their relationship as a romance of regionalism as the charming tale of a Northern man wooing a Southern belle Their writing exposes deeper sectional conflicts however from the seemingly unexorcisable fixation with the Civil War and the historical revisionism of the

Lost Cause to popular culture's depiction of the South as an artistically deprived economically broken backwater the couple challenged early twentieth century stereotypes of life below the Mason Dixon line From their most famous efforts *The Great Gatsby* and *Save Me the Waltz* to their more overlooked and obscure Scott's 1932 story *Family in the Wind* Zelda's *The Iceberg* published in 1918 before she even met her husband Scott and Zelda returned obsessively to the challenges of defining Southern identity in a country in which going south meant decay and dissolution Contributors to this volume tackle a range of Southern topics including belle culture the picturesque and the Gothic Confederate commemoration and race relations and regional reconciliation As the collection demonstrates the Fitzgeralds fortuitous meeting in Montgomery Alabama in 1918 sparked a Southern renaissance in miniature *F. Scott Fitzgerald* Harold Bloom, 2009 Includes a biography of F Scott Fitzgerald and critical views and plot summaries of his work *Towards a Theory of Life-Writing* Marija Krsteva, 2022-11-30 *Towards a Theory of Life Writing* Genre Blending provides a look into the rules of life writing genre blending proposing a theory to explain and illustrate the main regulations governing such genre play It centers on fact and fiction duality in the formation of auto biofictional genres This book investigates the existing developments in this field and explores major criticism and lines of inquiry in order to arrive at the theory of life writing genre play textuality The specific interplay of the different generic characteristics develops a specific textuality at the heart of it This is termed biofictional preservation biopreservation to explain the textual transformation and the shaping of the auto biofictional genres Written for undergraduate and graduate students but also for the general readers the book further exemplifies the theory in the analyses of different biofictions about the American authors F Scott Fitzgerald and Ernest Hemingway featuring overlapping and juxtaposed material This volume aims to provide a theory of this specific textuality in order to better understand and approach the process in question as well as to open up new horizons for further study and exploration

The Metatheater of Tennessee Williams Laura Michiels, 2021-07-13 Tennessee Williams characters set the stage for their own dramas Blanche DuBois *A Streetcar Named Desire* arrived at her sister's apartment with an entire trunk of costumes and props Amanda Wingfield *The Glass Menagerie* directed her son on how to eat and tries to make her daughter act like a Southern Belle This book argues for the persistence of one metatheatrical strategy running throughout Williams' entire oeuvre each play stages the process through which it came into being and this process consists of a variation on repetition combined with transformation Each chapter takes a detailed reading of one play and its variation on repetition and transformation Specific topics include reproduction in *Sweet Bird of Youth* 1959 mediation in *Something Cloudy Something Clear* 1981 and how the playwright frequently recycled previous works of art including his own **Zelda Fitzgerald** Sally Cline, 2013-07-04 Zelda Fitzgerald along with her husband F Scott Fitzgerald is remembered above all else as a personification of the style and glamour of the roaring twenties an age of carefree affluence such as the world has not seen since But along with the wealth and parties came a troubled mind at a time when a woman exploiting her freedom of

expression was likely to attract accusations of insanity After 1934 Zelda spent most of her life in a mental institution outliving her husband by few years she died in a fire as she was awaiting electroconvulsive therapy in a sanatorium Zelda s story has often been told by detractors who would cast her as a parasite in the marriage most famously Ernest Hemingway accused her of taking pleasure in blunting her husband s genius when she wrote her autobiographical novel Fitzgerald himself complained she had used his material But was this fair when Fitzgerald s novels were based on their life together Sally Cline s biography first published in 2003 makes use of letters journals and doctor s records to detail the development of their marriage and to show the collusion between husband and doctors in a misdirected attempt to cure Zelda s illness Their prescription no dancing no painting and above all no writing left her creative urges with no outlet and was bound to make matters worse for a woman who thrived on the expression of allure and wealth

Women Writing the American Artist in Novels of Development from 1850-1932 Rickie-Ann Legleitner,2021-05-06 In nineteenth and early twentieth century artist novels American women writers challenge cultural social and legal systems that attempt to limit or diminish women s embodied capabilities outside of the domestic Women writers such as E D E N Southworth Elizabeth Stuart Phelps Kate Chopin Willa Cather Jessie Fauset and Zelda Fitzgerald use the artist novel to highlight the structural and

material limitations that women artists face when attempting to achieve critical success while navigating inequitable marriages and social codes that restrict women's mobility education and pursuit of vocation These artist rebel protagonists find that their very bodies demand an outlet to articulate desires that defy patriarchal rhetoric and this demand becomes an artistic drive to express an embodied knowledge through artistic invention Ultimately these women writers empower their heroines to move beyond prescribed patriarchal identities in order to achieve autonomous subjectivity through their artistic development challenging stereotypes surrounding gender race and ability and beginning to reshape cultural notions of marriage motherhood and artistry at the turn of the twentieth century *Fitzgerald and the War Between the Sexes* Scott Donaldson, 2022-11-01 Written by the preeminent Fitzgerald biographer and literary critic Scott Donaldson this book presents a fresh insightful exploration of the war between the sexes in F Scott Fitzgerald's fictional and autobiographical writings The volume opens with a close reading of *Tender Is the Night* in which Donaldson argues that the key theme of the novel is warfare the struggle between the sexes for dominance in a marriage or relationship Other essays expand on this theme examining Fitzgerald's assessment of love and the American dream in *The Great Gatsby* Zelda Fitzgerald's alleged affair with the French aviator Edouard Joazez the writer's relationship with his fellow author Dorothy Parker and Fitzgerald's autobiographical writings in which he recounts his fast extravagant life during the Jazz Age Engagingly written and based on a deep understanding of Fitzgerald's life and career *Fitzgerald and the War Between the Sexes* will inform and influence fans and students of Fitzgerald's work for many years to come **The Art of the Affair** Catherine Lacey, Forsyth Harmon, 2017-01-03 A surprisingly scandalous and vibrantly illustrated chain of entanglements romantic and otherwise between some of our best loved writers and artists of the twentieth century Poet Robert Lowell died of a heart attack clutching a portrait of his lover Caroline Blackwood painted by her ex husband Lucian Freud Lowell was on his way to see his own ex wife Elizabeth Hardwick who was a longtime friend of Mary McCarthy McCarthy left the father of her child to marry Edmund Wilson who had encouraged her writing and had also brought critical attention to the fiction of Anaïs Nin whom he later bedded And so it goes the long chain of love affections and artistic influences among writers musicians and artists that weaves its way through the *The Art of the Affair* from Frida Kahlo to Colette to Hemingway to Dali from Coco Chanel to Stravinsky to Miles Davis to Orson Welles Scrupulously researched but playfully prurient cleverly designed and colorfully illustrated it's the perfect gift for your literary lover and the perfect read for any good natured gossip monger **The Text and Beyond** Cynthia Bernstein, 1994 Demonstrates that the approaches of literary linguistics extend to the many influences outside its history culture or politics that contribute to our understanding of language *The Text Beyond* Essays in Literary Linguistics is a collection of suggestive models for those interested in using the tools of linguistics to meet the aims of literary criticism and theory Only very recently have linguists and literary scholars come to recognize that their goals are compatible Film Study Frank Manchel, 1990 The four volumes of *Film Study* include a fresh approach to each of the basic

categories in the original edition Volume one examines the film as film volume two focuses on the thematic approach to film volume three draws on the history of film and volume four contains extensive appendices listing film distributors sources and historical information as well as an index of authors titles and film personalities **Writing Addiction** University of Regina. Canadian Plains Research Center,2004 The history of literature is replete with substance dependent writers The idea that addiction is a hazard of the author s life invites more interesting questions concerning the relationship between writing and addiction the topic explored in this compilation that includes essays where authors confess examine their personal addictions discuss the act of writing and the idea of addiction and present critical essays on the works of such writers as William Styron Emily Dickinson and Virginia Woolf *Max Perkins: Editor of Genius* A. Scott Berg,2008-09-02 The National Book Award winner from Pulitzer Prize winning author A Scott Berg is now celebrating its 40th anniversary The talents he nurtured were known worldwide F Scott Fitzgerald Ernest Hemingway Thomas Wolfe and numerous others But Maxwell Perkins remained a mystery a backstage presence who served these authors not only as editor but also as critic career manager moneylender psychoanalyst father confessor and friend This outstanding biography a winner of the National Book Award is the first to explore the fascinating life of this genius editor extraordinaire in both the professional and personal domains It tells not only of Perkins s stormy marriage endearing eccentricities and secret twenty five year romance with Elizabeth Lemmon but also of his intensely intimate relationships with the leading literary lights of the twentieth century It is in the words of Newsweek an admirable biography of a wholly admirable man The basis for the Major Motion Picture Genius Starring Colin Firth Nicole Kidman and Jude Law **The Novel** Michael Schmidt,2014-05-12 With contributions from Great Britain Ireland America Canada Australia India and Southern Africa influenced by great novelists working in other languages and encompassing a range of genres the story of the novel in English unfolds like a richly varied landscape that invites exploration rather than a linear journey Textual Mothers/Maternal Texts Elizabeth Podnieks,Andrea O'Reilly,2011-04-07 Textual Mothers Maternal Texts focuses on mothers as subjects and as writers who produce auto biography fiction and poetry about maternity International contributors examine the mother without child with child and in her multiple identities as grandmother mother and daughter The collection examines how authors use textual spaces to accept negotiate resist or challenge traditional conceptions of mothering and maternal roles and how these texts offer alternative practices and visions for mothers Further it illuminates how textual representations both reflect and help to define or re shape the realities of women and families by examining how mothering and being a mother are political personal and creative narratives unfolding within both the pages of a book and the spaces of a life The range of chapters maps a shift from the daughter centric stories that have dominated the maternal tradition to the matrilineal and matrifocal perspectives that have emerged over the last few decades as the mother s voice moved from silence to speech Contributors make aesthetic cultural and political claims and critiques about mothering and motherhood illuminating in new and diverse ways how authors and the protagonists of the texts read their

own maternal identities as well as the maternal scripts of their families cultures and nations in their quest for self knowledge agency and artistic expression **The Impossible Craft** Scott Donaldson, 2015-02-23 In *The Impossible Craft* Scott Donaldson explores the rocky territory of literary biography the most difficult that biographers try to navigate Writers are accustomed to controlling the narrative and notoriously opposed to allowing intruders on their turf They make bonfires of their papers encourage others to destroy correspondence write their own autobiographies and appoint family or friends to protect their reputations as official biographers Thomas Hardy went so far as to compose his own life story to be published after his death while falsely assigning authorship to his widow After a brief background sketch of the history of biography from Greco Roman times to the present Donaldson recounts his experiences in writing biographies of a broad range of twentieth century American writers Ernest Hemingway F Scott Fitzgerald John Cheever Archibald MacLeish Edwin Arlington Robinson Winfield Townley Scott and Charlie Fenton Donaldson provides readers with a highly readable insiders introduction to literary biography He suggests how to conduct interviews and what not to do during the process He offers sound advice about how closely biographers should identify with their subjects He examines the ethical obligations of the biographer who must aim for the truth without unduly or unnecessarily causing discomfort or worse to survivors He shows us why and how misinformation comes into existence and tends to persist over time He describes the mythical ideal biographer an imaginary creature of universal intelligence and myriad talents beyond the reach of any single human being And he suggests how its very impossibility makes the goal of writing a biography that captures the personality of an author a challenge well worth pursuing
