Saving Jimani Life And Death In The Haiti Earthquake:

Saving Jimani Rene Steinhauer, Rn, 2014-10-20 The earth shakes buildings fall hundreds of thousands of people die in minutes Others lie broken and infected in the streets of Haiti begging and waiting for help An empty orphanage is the battleground for life and death in the Haiti Earthquake Two hours from civilization a small team of doctors nurses and paramedics frantically struggle to save two thousand patients as the hope of survival dwindles minute by minute The battle has just begun And the medical team asks Can we save any of these people Managing the twelve person team Rene Steinhauer a weary combat medic stands witness to human suffering greater than he ever encountered in Iraq Rene partners with Danya Swanson a daddy s girl with a nursing degree who thinks she has what it takes to save the day and suddenly finds herself as the disaster manager for Jimani Rene dries his tears and gets up to fight in a brutal battle where amputated arms and legs are piled up until somebody anybody has time to drag them to the fire pit The battle rages hopes are raised and dashed and thousands of lives hang by a thread Can an inexperienced nurse with no disaster experience really save Jimani

Rescue from Chaos Lee H. Harvis, 2012 Rescue from Chaos USAF Responds to Disaster in Haiti is a behind the scenes look at medical response efforts during the critical and chaotic first fourteen days following the devastating 2010 earthquake in Haiti possibly the second deadliest earthquake in recorded history What starts as a small mission to provide medical support to the handful of U S military personnel sent to reopen the Port au Prince airport quickly escalates to a major operation USAF Colonel Lee Harvis DO and the medical team from AF Special Operations Command find chaos at the airfield the U S Embassy and hospitals throughout the city For two weeks the team oversees all surgical and critical care at the airport and provides evacuation for 12 000 American citizens and aeromedical evacuation of two hundred critically injured Haitian citizens The medics perform 14 major operations including several amputations in a converted storage room in the U S Embassy and on the flight line

Operation Crisis Adam L. Kushner, 2017-02-15 How can medical workers provide effective surgical care in the midst of war or natural disaster Surgical care is increasingly recognized as a critical component of global health and strong surgical skills teamwork and poise under pressure become even more imperative during conflict or disaster When faced with hospital bombings or devastating earthquakes healthcare personnel must develop special techniques and abilities to ably care for patients despite limited resources and a disrupted health system In Operation Crisis Dr Adam L Kushner brings together 22 medical experts from around the world to recount their experiences in the field when disaster struck These candid firsthand accounts from both local and international aid surgeons provide clinicians and public health practitioners with insightful lessons for effectively treating surgical patients under the most grueling of circumstances Moving from conflict settings that include war zones in Afghanistan the Democratic Republic of the Congo Syria and South Sudan Operation Crisis also touches on post earthquake Haiti and Nepal and post tsunami Indonesia Individual themed chapters cover mass casualty training burn care obstetric care sexual violence and landmine injuries Combining personal

P.s. I'm Eleven Mae Claire,2017-07-19 A very bright eleven year old girl attending a private school in Haiti realizes the importance of her family and friends She observes those who were not given the opportunity to be educated and tells herself that she does not want to be mem jan ki li She is given several opportunities to see different parts of the world The trips make her wise beyond her years Tragedy in Haiti strikes and it is now up to her to find the living amongst the dead She loses all hope in finding her best friend but still believes that her parents may still be alive Looking frantically for her Mami and Papi in the debris she comes to terms with the fact that she may never see them again Life as she knows it ceases to exist until she encounters several other victims on the way to Port Au Prince to find food Her bond with the broken and hungry gives her the strength to search her heart and soul for what death and life really means

Architecture by Moonlight Paul E. Fallon,2015-01-09 When a natural disaster strikes one imposing obstacle

always impedes recovery the need to rebuild Not just homes schools and other buildings but also lives must be reconstructed Yet amid the horror there is also the opportunity to build back better to create more resilient buildings and deeper human connections After Haiti's 2010 earthquake architect Paul E Fallon wanted to help rebuild the magic island he had visited the previous summer Over the next three years he made seventeen trips to design and supervise construction of an orphanage and a school in Grand Go ve In the process he confronted the challenges of building in a country with sparse materials and with laborers predisposed toward magic over physics Architecture by Moonlight is about much more than construction however Readers will also experience the many relationships Fallon developed as he balanced the contradictory demands of a boisterous American family constructing a memorial for their deceased daughter and Evangelical missionaries more interested in saving souls than filling bellies Dieunison a wily Haitian orphan captured Fallon's heart and exemplifies both Haiti's tragedy and its indomitable spirit Fallon's personal experience is an eloquent tale of an ensemble of incomplete people struggling in a land of great trial and great promise trying to better understand their place on Earth He reveals how when seemingly different people come together we succeed by seeking our commonality Architecture by Moonlight illustrates our strength to rise above disaster and celebrate recovery perseverance and humanity **Unshaken** Dan Woolley, Jennifer Schuchmann, 2010 Dan Woolley describes how being trapped under rubble for three days after Haiti's devastating earthquake caused him to reevaluate his life and spirituality and strengthened his trust in God **Hour Four** Owen Spears, 2019-12-30 After months of preparation Owen as part of a group of high school students arrives in Haiti excitedly anticipating the humanitarian work they are about to fulfill All expectations to aid the Haitian community are abandoned as the students themselves face one of history's deadliest earthquakes As the country is left in ruins the only goal now is to hope for rescue As Owen witnesses the devastation that the earthquake and multiple aftershocks bring he must rely on the kindness of locals and strangers to survive His memoir gives a glimpse of what people are willing to offer even after they have lost everything Hour Four is a unique telling of the 2010 disaster through the eyes of a teenager with cerebral palsy and the events that take place until his eventual military evacuation Five dollars from each book sold will go to Haiti Arise a charity based in Haiti **A Girl Named Lovely** Catherine Porter, 2019-01-08 *Into the Rubble* Douglas Dietrichson, 2020-07-31 Buildings collapsed and streets crumbled trapping and killing hundreds of thousands of Haitians in the 2010 earthquake The world watched in horror gripped by the devastation that unfolded As the shaking stopped brave heroes were called in to locate and rescue These men and women risked their lives entering into the rubble to save as many victims as possible Author Douglas Dietrichson a medical specialist and former member of the elite Virginia Urban Search and Rescue Team arrived in Haiti with his team less than twenty hours after the quaking stopped Valiantly entering unstable ground that still echoed with aftershocks Doug and his team risked their lives to save others In his debut novel Dietrichson masterfully entwines stories with true inspirational events of rescue and restoration in this compelling account of search and
