**Any Other Girl** Rebecca Phillips, 2016-02-01 A deftly written story of friendship, romance, and second chances. Natasha Sinel, author of *The Fix*, after a disastrous reputation-destroying party at the end of junior year, Kat Henley has a new plan. When it comes to boys, especially other people's boys, Don't touch, Don't smile, Don't charm. In the past, drawing attention to herself helped distract people from what really makes Kat different: having two gay parents. But it's also cost her friendships. Kat can't afford to lose any more of those, especially not her cousin Harper. They're spending one last summer together at the lake where they run into an intriguing newcomer named Emmett Reese. After years of trying to prove she's just like everybody else, Kat has found someone who wants her because she's not a boy who could be everything she wants too. If Harper hadn't liked him first, a wise, heartfelt story about self-image, first love, and the burdens we carry for those most important to us. I didn't want the summer to end. Jessica Verdi, author of *What You Left Behind*. *The Ancient Coptic Version of the Book of Job, the Just Translated Into English, and Edited by Henry Tattam*, 1846. *Still Growing* Donald Capps, 2014-11-10 The later adult years are commonly viewed as a period in which one struggles to maintain a vestige of the physical, mental, and emotional vitality of one's earlier years. In *Still Growing*, however, Donald Capps contends that older adulthood is actually a period of growth and development, and that a central feature of this growth and development is the remarkable creativity of older adults. This creativity is the consequence of the wisdom gained through years of experience, but is also due to a newly developed capacity to adapt to unprecedented challenges integral to the aging process. Part 1 illustrates the challenges of transitioning to older adulthood from the author's own experiences. Part 2 draws on material from Erik H. Erikson, Sigmund Freud, and Paul W. Pridemore to account for longevity, adaptability, and creativity in older adults. Finally, part 3 focuses on the work of both William James and Walt Disney to fashion a model of creative aging. **This Book Will Save Your Life** A.M. Homes, 2007-04-03 Since her debut in 1989, A.M. Homes, author of the forthcoming novel *The Unfolding*, has been among the boldest and most original voices of her generation, acclaimed for the psychological accuracy and unnerving emotional intensity of her storytelling. Her ability to explore how extraordinary the ordinary can be is at the heart of her touching and funny new novel, her first in six years. *This Book Will Save Your Life* is a vivid, uplifting, and

Join Kat and her crew in a tale of found family forbidden romance redemption and self forgiveness and of Cuddles the undead cat Fire of the Sorceress Believe me I've tried and the only thing I've achieved in protecting the balance between magical and mundane is massive burnout My magic has waned my motivation is in embers and my social graces are lacking Not helping at all is my ex the servant of Death binding me to existence The man I crave with every breath but whose presence in my life risks losing him forever I'm ready to swear off this world But when a blood mage with troubling ambitions sets his sights on the city's covens the voices of my past refuse to let me sit by and do nothing To stop him I'll need to dust off decades of indifference gather whatever allies I haven't driven away and tap into my forgotten power It's time to remind myself what I'm capable of The monsters better start trembling Fury of the Sorceress After nine hundred years protecting the balance between magical and mundane I do my best to avoid squabbles among the fanged variety They're overdramatic dress better than I do and never have simple problems My oldest friend included But when Adrian asks me his favourite sorceress to do him a favour and help find a missing vampire queen what can I do but say yes Especially when my sort of protégé has a vision about all the ways the city will go sideways if we don't get her back on her throne The missing person's case quickly turns into a free for all as a horde of rogue human thralls decide I would better serve the vampires as a corpse Who's giving them orders Because it certainly isn't the missing queen Not helping matters is my ex lover a servant of Death who refuses to stay where he's supposed to in my past With the city on the brink of war the vampire nest on the edge of collapse and my suitcase at serious risk of running empty before this problem is resolved I have to put all the missing pieces together before it's too late Oh yeah Adrian owes me big time Fear of the Sorceress My sluggish magic has woken up but of course I'm not able to lounge in bed while I get reacquainted with it No instead I have a blaring alarm clock in the shape of a fear demon I banished to hell eight hundred years ago Someone's summoned him back and he's picking up right where he left off wreaking havoc inciting mobs and threatening mass human casualties And he's using a member of my chosen family to do it It's on me to stop him and the threats are rising Emrick the servant of Death who makes my legs weak refuses to step aside but I can't let him help Not when doing so breaks Death's one rule don't get involved To banish this demon I'll need to do more than get to know my magic again I'll need to bring hell to earth Without losing one of my only friends in the process If I mess this up millions will burn and my sanity might crack If I do this right The only thing fear should be afraid of is me Shadow of the Sorceress Twice in two months a witch named Abigail has used my dark history to try to destroy me For weeks my team has hunted her but she's as skilled at evading us as I am at stuffing my nightmares where I can't see them Except

she's not evading us anymore Now she's coming straight for us and I have to be ready For every blow she strikes I need to strike back even if it means turning my feet in a direction I haven't walked in almost nine hundred years Emrick and my chosen family stand with me but I fear they'll get caught in the crossfire Especially as secrets are revealed and the truth unravels in ways that make my world tremble Abigail thinks she can use my past to draw blood I'll make her regret every drop
