Unschoolers Learning Is As Natural As Breathing Did you know that a growing percentage of home schoolers are becoming
unschoolers The unschooling movement is founded on the principle that children learn best when they pursue their own
natural curiosities and interests Without bells schedules and rules about what to do and when the knowledge they gain
through mindful living and exploration is absorbed more easily and enthusiastically Learning is a natural inborn impulse and
the world is rich with lessons to be learned and puzzles to be solved Successful unschooling parents know how to stimulate
and direct their children s learning impulse Once you read this book so will you
