If You Don'T Mind My Saying So John Calvert, 2016-08-01 This is an age in which even the most honest and intelligent debate on social topics is risky Free inquiry which was once the pride of higher education has almost disappeared as our politicized campuses have become one party systems tolerating little dissent from the established orthodoxy The ideology of multiculturalism in particular has led to demands for conformity in education and in society in general and even threatens the liberties of Western civilization Debate on fundamental issues has become rare and nowhere is it rarer than in higher education which at one time exulted in debate and in defending unpopular views This happens because almost all institutions of higher education are today dominated by a narrow portion of the political spectrum fashion

and rigid consensus not debate determine campus policy The essays in this book deal with topics that in some quarters are in questionable taste such as why American students rank at the bottom in international tests Celebrating diversity may be a bad idea Artificial intelligence may eliminate all human jobs Demographic change threatens Americas 2 party system Marshmallows may make kids smarter We need the common core Etc etc Whatever the political stance of the reader it is my hope that they will find these essays thought provoking **Not Your Average Joe** Rodney Blackmon,2018-12-29 Joe Valentine is a down on his luck environmental service worker who robs a bank and is quickly captured During his arrest he reflects on the bad mistakes he made in his life and how he got to the point of robbing a bank From getting a divorce to losing a child to getting stuck in a tree by a dog and knocking over a casket with a body in it Not Your Average Joe is both heart touching and hilarious **The One Year Mother-Daughter Devo** Dannah Gresh,2010 A one year devotional calendar meant for mothers and daughters to connect to each other and to God The Art Student's War Brad Leithauser,2009-11-03 The Art Student s War is Brad Leithauser s finest novel to date deeply moving in its portrayal of a young aspiring artist and her immigrant family during Detroit s wartime heyday The year is 1943 Bianca Paradiso is a pretty and ambitious eighteen year old studying to be an artist while her bustling thriving hometown turns from mass producing automobiles to rolling out fighter planes and tanks For Bianca national and personal conflicts begin to merge when she is asked to draw portraits of the wounded young soldiers who are filling local hospitals Suddenly she must confront lives maimed at their outset as well as her own romantic yearnings and she must do so at a time when another war a war within her own family is erupting **The Unraveling** Meredith Keller,2021-06-28 A hand scripted letter arrives in a rural mailbox on a vineyard in Northern California saying I think you may be my grandmother This shocking statement instantly dredges up shattering memories flashbacks at blinding speed of sexual assault isolation pain severance and shame There was the promise of closure to a nightmare that also held the pain of reliving each and every episode of a tragic drama with secrets well hidden for 52 years Will she respond to the letter *Radio Comedy Diary* Gary Poole,2001-07-11 This book is a real find for those who enjoy radio nostalgia but more importantly for scholars of broadcasting From 1947 to 1950 while listening to such voices as Bob Hope Red Skelton Milton Berle Jack Benny Fred Allen and Jimmy Durante and shows like Fibber McGee Molly Amos n Andy Blondie and You Bet Your Life the author was writing down jokes gags one liners and quotations In that short time he had filled 11 spiral notebooks Fifty years later in a labor of love the author painstakingly transferred those childhood notes into this invaluable in fact undoubtably unique record of a boom time in American radio This is an unexpected treasure for radio scholars who have long lamented the lack of recordings for the majority of radio programming Television researchers as well will benefit here are root sources of television comedy It is a revelation to find that what we are laughing at today often was first done on radio over 50 years ago The author has also included a notes and comments section which includes background material on all the radio programs in this book **Ammunition 357** Brian King,2009-11 **Seriously Now, Enough Already** Daphne

Englisch mit Witz 1 Jindřich Vobořil,2012-01-01 Warum sollte man eigentlich Englisch lernen Weil man in der heutigen globalisierten Welt sonst so gut wie tot ist Und warum sollte man Englisch mit Witzen lernen Weil ein Witz kurz und einfach ist und eine Pointe hat deswegen merkt man sich ihn leicht und gleichzeitig merkt man sich nicht nur eine hnliche Situation sondern auch W rter die man in dieser verwenden kann ber einen Witz am siert man sich auch und wenn nicht dann mag man ihn nicht man hat nicht den Sinn f r diese Art von Humor oder man hat den englischen Text nicht richtig verstanden In so einem Falle hilft dieses Buch bestimmt Also was finden Sie hier Falls Sie das Buch schon durchgebl ttert haben haben Sie

festgestellt dass der Text die Witze in zwei Hälften eingeteilt ist Der erste Teil ist zweisprachig Englisch links Deutsch rechts Wir möchten darauf aufmerksam machen dass es sich nicht um eine wortgetreue Übersetzung handelt Eine solche wäre bisweilen schwerfällig das Ziel war jedoch die Witze so zu übersetzen dass sie auch auf Deutsch gut klingen und einen Sinn ergeben In den Texten des zweiten nur englischen Teils finden Sie einige Wörter fett gedruckt Ihre Bedeutung ist im englisch deutschen Wörterbuch am Ende des Buches aufgeführt Die nicht übersetzten Wörter sollen ungefähr dem Niveau der Mittelstufe entsprechen die hervorgehobenen Wörter überschreiten meistens dieses Niveau Der englisch deutsche Teil soll nur als Aufwärmübung aufgefasst werden wir sind nämlich davon überzeugt dass ein einsprachiger mit einem Wörterbuch ausgestatteter Text viel effektiver ist da der Leser sich den neuen Wortschatz direkt ohne die Vermittlung einer manchmal problematischen Übersetzung aneignet ein englischer Witz kann zuweilen wirklich nicht übersetzt werden ohne dass die Pointe verloren geht Es gibt noch einen weiteren Grund warum man Anekdoten nicht übersetzen sollte Man sagt dass es zweierlei Anekdoten gibt die anständigen und die guten Man kann also Texte mit expliziten Ausdrücken kaum vermeiden wie sollen jedoch solche Witze übersetzt werden Die Übersetzung kann in solchen Fällen nicht wortgetreu sondern nur sinngemäß sein Man muss solche Wendungen wählen die in den entsprechenden Kontexten in der anderen Sprache benutzt werden So wurde beispielsweise aus dem little Johnny der typische kleine Fritz bzw Fritzchen ähnlich muss man auch mit expliziten Ausdrücken und auch anderen Wendungen umgehen bei denen eine wortgetreue Übersetzung in der Zielsprache für den Leser keinen Sinn ergeben würde oder verwirrend wäre

Radio Live! Television Live! Robert L. Mott, 2003-12-25 During the golden age of live radio and television writers performers and producers created their programs in an environment far different from the studios of today With live programming anything could happen and often did Robert L Mott a veteran writer and Emmy nominated sound effects creator of the live era recreates the days when television and radio programs were performed live He includes personal reminiscences as well as a forthright look behind the microphones horses hooves were played by coconuts African American women were played by white males and television actors might ad lib an entire program that didn't go as planned Celebrities like Red Skelton and Jackie Gleason as well as the unsung heroes in the sound booth and backstage step up to the mike here Behind the scenes photographs are also included in this account of the exciting but not always glamorous world that was live on the air

You've Got Funny Mail Divad Yvel, 2001-11 What I have written is food for the body mind and soul The contents may lean toward the spiritual at times because when you enter into depth in your life you find your soul and its creator in doing that you find yourself and your purpose This writing is helpful for people of all faiths because when I speak of God I speak of the God and Father of all faiths We are all spiritual people but the way we express our spirituality is through our religion No matter how you worship or what religion you follow it is all the same God I have used what is written here in the workplace over a fifteen year period and it has helped sales reps gain a deeper understanding of their clients and their businesses This translates into better relationships and a greater cash flow for both as well as a greater satisfaction in

the work place This method has also been used in private sessions in the work place and in counseling environments at my parish All of the following information has been used in several environments including a series of spiritual talks This can benefit a person s soul and restore order and balance in life So I ask you to be open to what you read Use it based on how you are inspired and you will profit from it

[Streetcar Advertising in America](#) Woodson J. Savage,2017-04-20 You might be surprised to learn that many of the consumer brands and products we enjoy today exist because of streetcar advertising The Industrial Revolution of the early 1900 s and a massive consumer audience riding over 50 000 streetcars in nearly 3 000 cities and towns in every state of the union provided a great opportunity for Barron Collier a native of Memphis Tennessee He simply used streetcar advertising to bring these two forces together and created the largest streetcar advertising empire in the world By age twenty six he was a millionaire and at one time had business offices in 70 cities with business interests in more than a thousand cities Most of these advertising cards have remarkable color graphics over 250 of them are included in this book for your viewing pleasure While streetcar advertising is definitely not a major advertising medium today the advertising community might be surprised to learn that the basic principles of consumer advertising have not changed that much in the last one hundred years Investors might do well to review this book to see which companies are still producing these popular products and brands as they represent some of the most successful businesses in America today

REVIEWS As a longtime trolley museum motorman I have often observed the interest our passengers show in the vintage interior advertisements above the windows the car cards Now there s a book on the history of car cards that fills a gap in the literature Woodson Savage has been collecting car cards and researching their history After relating the history of car cards the majority of the book is devoted to a colorful gallery of the cards themselves The color and reproduction on coated paper are excellent Most of them are national brands many of which survive today The galleries are divided into product types with histories of these ad campaigns Savage s personal collection can be viewed online at fineartamerica.com/artists/WoodsonSavage Savage has joined the Western Railway Museum and is working with them to catalog and scan their 900 card collection the book is well produced fun to browse through and may deserve a place in your museum store Tourist Railroads Railway Museums The Magazine of ATRRM
