Lines of Scrimmage Joe Oestreich, Scott Pleasant, 2015-08-14 As in many small towns in the South folks in Conway South Carolina fill the stands on fall Fridays to cheer on their local high school football squad In 1989 with returning starter Carlos Hunt at quarterback and having finished with an 8 4 record in 1988 hopes were high that the beloved Tigers would win their first state championship But during spring practice Coach Chuck Jordan who is white benched Hunt who is black in favor of Mickey Wilson an inexperienced white player Seeing this demotion of the black quarterback as an example of the racism prevalent in football generally and in Conway specifically thirty one of the team s thirty seven black players under the guidance of H H Singleton pastor of Cherry Hill Missionary Baptist Church and president of the local NAACP boycotted the team in protest The season long strike severed the town along racial lines as it became clear that the incident was about much more than football It was about the legacy of slavery and segregation and Jim Crow and other points of tension and oppression that many people in Conway and the South had wrongly assumed were settled While the 1989 season is long over the story reverberates today Chuck Jordan is still coaching at Conway High and he s still without that state championship Meanwhile Mickey Wilson is now coaching Conway s fiercest rival the Myrtle Beach Seahawks In the annual Victory Bell Game between Conway and Myrtle Beach the biggest contest of the year for both teams a veteran coach and his young protégé compete against each other against the backdrop of a racial conflict that bitterly divided a small southern town

[The Palmetto and Its South Carolina Home](#) Jim Harrison, 2013-02-19 With its fanlike evergreen fronds, soft trunk, and strong root system, the palmetto is a wind-adapted palm that can bend with strong sea breezes without breaking or being uprooted. Emblematic of survival against opposition, the palmetto tree has captured the imaginations of South Carolinians for generations, appearing on the state seal since the American Revolution and on the state flag since 1861. The palmetto was named South Carolina's official state tree by Governor Burnet R. Maybank in 1939, and in 1974 Governor John C. West commissioned acclaimed South Carolina artist Jim Harrison to paint the official palmetto tree portrait for the State of South Carolina, an image that adorns the State House to this day. *The Palmetto and Its South Carolina Home* showcases the timeless natural beauty of the state tree in marshland and coastal landscapes in the popular Harrison style. Appearing on glassware, stationery, jewelry, and many other decorative and functional objects, the palmetto tree is an omnipresent symbol in South Carolina culture. For Harrison, the palmetto remains foremost an icon of the wondrous Carolina coastal habitats. Sweeping images of the coast have been part of Harrison's art since the beginning of his career, and he continues to illustrate his love of the South Carolina coast by capturing the beauty of the state tree amid the many stunning and enchanting scenes included here. *The Palmetto and Its South Carolina Home* also explores the historical background of the tree and its many ties to South Carolina's heritage as a symbol of strength and beauty worthy of this artistic celebration. **The WPA Guide to South Carolina** Federal Writers' Project, 2013-10-31 During the 1930s in the United States, the Works Progress Administration developed the Federal Writers' Project to support writers and artists while making a national effort to document the country's shared history and culture. The American Guide series consists of individual guides to each of the states. Little-known authors, many of whom would later become celebrated literary figures, were commissioned to write these important books. John Steinbeck, Saul Bellow, Zora Neale Hurston, and Ralph Ellison are among the more than 6,000 writers, editors, historians, and researchers who documented this celebration of local histories. Photographs, drawings, driving tours, detailed descriptions of towns, and rich cultural details exhibit each state's unique flavor. *The WPA Guide to South Carolina* presents a state at the epicenter of Southern culture. The Palmetto State's guide comes complete with the standard driving tours across the Blue Ridge Mountains and Mid-Atlantic coast, as well as recipes for delicacies such as Cracklin Bread and Peach Leather.
