Scandal Takes A Holiday Falco:

Scandal Takes a Holiday Lindsey Davis, 2004-09-23 Ancient Rome's organized crime syndicates have never been more dangerous or more cunning than in this latest adventure featuring First Century sleuth Marcus Didius Falco **Scandal Takes a Holiday** Lindsey Davis, 2019-04-04 This was a lonely place for anybody to be brought to die In the wealthy town of Ostia our hero Falco appears to be enjoying a relaxing holiday But when his girlfriend Helena arrives carrying a batch of old copies of the Daily Gazette with the intention of catching up on the latest scandal Falco is forced to admit to Petronius his real reasons for being there Infamia the pen name of the scribe who writes the gossip column for the Daily Gazette has gone missing His fellow scribes have employed Falco to find him and bring him back from his lazy drunken truancy However Falco suspects that there is more to his absence than there might first appear Praise for Lindsey Davis Lindsey Davis has seen off all her competitors to become the unassailable market leader in the crime in Ancient Rome genre Davis's squalid vibrant Rome is as pleasurable as ever Guardian Davis's prose is a lively joy sinister and gloriously real The Times on Sunday For fans of crime fiction set in the ancient world this one is not to be missed Booklist Davis's books crackle with wit and knowledge She has the happy knack of making the reader feel entirely immersed in Rome The Times **Scandal Takes a Holiday** Lindsey Davis, 2013-08-05 In the wealthy town of Ostia Marcus Didius Falco appears to be enjoying a relaxing holiday But when his girlfriend Helena arrives carrying a batch of old copies of the Daily Gazette Falco is forced to admit to Petronius his real reasons for being there Back cover **Scandal Takes a Holiday** Lindsey Davis, 2006 **Scandal Takes a Holiday** Lindsey Davis, 2007-09-03 Ancient Rome's organized crime syndicates have never been more dangerous or more cunning than in Lindsey Davis's latest adventure featuring First Century sleuth Marcus Didius Falco One of Marcus Didius Falco's guiltier pleasures is reading the scandal column in the Daily Gazette which is always conveniently found in Rome's Forum When the scandal column's pseudonymous scribe Infamia goes missing in seaside Ostia Falco is asked to search for him It turns out that Infamia was working on a story about an underworld kidnapping racket involving Cilician pirates And Falco soon finds himself up against a much more sinister and powerful organization than anything he has encountered before a paramilitary group whose corrupt tentacles reach well into the ranks of the government itself **Falco: The Official Companion** Lindsey Davis, 2011-01-18 One of the stories from the bestselling historical fiction Falco series As the girl came running up the steps I decided she was wearing far too many clothes So in 1989 readers were introduced to Marcus Didius Falco the Roman informer as he stood on the steps of the Temple of Saturn looking out across the Forum the heart of his world Twenty years and twenty books later Falco fans want a companion volume Only here will you learn the author's private background including her descent from a failed assassin and how atheism improved her knitting Here too are the real glories and heartache involved in research and creation why the baby had to be born in Barcelona which plots evolved from intense loathing of management trainees what part a thermal vest played in the iconic Falco's conception It can't be a complete

handbook to ancient Rome but it covers perennial issues There are a hundred illustrations some specially commissioned others from family archives Enlightening quotations come from the Falco books and from eminent sources Juvenal through Chandler to 1066 and All That Readers have asked for this book Their paranoid secretive author agrees it is now or never Time to spill beans on the travertine Gumshoes Mitzi M. Master and God Lindsey Davis, 2012-06-05 From New York Times bestselling novelist Lindsey Davis comes an epic novel of first century Rome and the Emperor Domitian known to all of the Roman world as Master and God Set in the reign of the Emperor Domitian in first century Rome Master and God is Lindsey Davis s meticulously researched epic novel of the life and times surrounding the last of the Flavian dynasty of emperors Gaius Vinius is a reluctant Praetorian Guard the Emperor s personal guard and a man with a disastrous marriage history Flavia Lucilla is also in the imperial court and she is responsible not only for having created the ridiculous hairstyle worn by the imperial ladies but for also making toupees for the balding and increasingly paranoid emperor The two of them are brought together in an unlikely manner a devastating fire in Rome which then leads to a lifelong friendship Together they watch Domitian s once talented rule unravel into madness and cruelty until the people closest to him conspire to delete him from history As an imperial bodyguard Vinius then faces a tough decision Master and God is a compelling novel of the Roman Empire from the height of power to the depths of madness told from the perspective of two courtiers and unlikely friends who together are the witnesses to history

Enemies at Home Lindsey Davis, 2014-07-15 There are rules for private informers accepting a new case Never take on clients who cannot pay you Never do favours for friends Don t work with relatives If like me you are a woman keep clear of men you find attractive Will I never learn In Ancient Rome the number of slaves was far greater than that of free citizens As a result often the people Romans

feared most were the enemies at home the slaves under their own roofs Because of this Roman law decreed that if the head of a household was murdered at home and the culprit wasn't quickly discovered his slaves all of them guilty or not were presumed responsible and were put to death Without exception When a couple is found dead in their own bedroom and their house burglarized some of their household slaves know what is about to happen to them They flee to the Temple of Ceres which by tradition is respected as a haven for refugees This is where Flavia Albia comes in The authorities under pressure from all sides need a solution Albia a private informer just like her father Marcus Didius Falco is asked to solve the murders in this mystery from Lindsey Davis *The Graveyard of the Hesperides* Lindsey Davis, 2016-07-12 In first century Rome Flavia Albia the daughter of Marcus Didius Falco has taken up her father's former profession as an informer On a typical day it's small cases cheating spouses employees dipping into the till but this isn't a typical day Her beloved the plebeian Manlius Faustus has recently moved in and decided that they should get married in a big showy ceremony as part of beginning a proper domestic life together Also his contracting firm has been renovating a rundown dive bar called The Garden of the Hesperides only to uncover human remains buried in the backyard There have been rumors for years that the previous owner of the bar now deceased killed a bar maid and these are presumably her remains In the choice between planning a wedding and looking into a crime from long ago Albia would much rather investigate a possible murder Or murders as more and more remains are uncovered revealing that something truly horrible has been going on at the Hesperides As she gets closer to the truth behind the bodies in the backyard Albia's investigation has put her in the cross hairs which might be the only way she'll get out of the wedding and away from all her relatives who are desperate to help **Pandora's Boy** Lindsey Davis, 2018-07-03 A suspicious death and subsequent murder send Flavia Albia down a twisted path to expose corruption and betrayal in Lindsey Davis's next historical mystery Pandora's Boy First century Rome is not the quiet orderly city that it pretends to be and in this environment a very clever private informer can thrive Flavia Albia daughter of Marcus Didius Falco is a chip off the old block She's taken over his father's old profession and like him she occasionally lets her love of a good puzzle get in the way of her common sense Such is the case when one such puzzle is brought to her by the very hostile ex wife of Albia's new husband It seems that over on the Quirinal Hill a naive young girl one Clodia Volumnia has died and there's a suggestion that she was poisoned by a love potion The local witch Pandora would have been the one to supply such a potion Looking into the matter Albia soon learns that Pandora carries on a trade in herbal beauty products while keeping hidden her much more dangerous connections Albia soon discovers the young girl was a handful and her so called friends were not as friendly as they should have been The supposedly sweet air of the Quirinal hides the smells of loose morality casual betrayal and even gangland conflict When a friend of her own is murdered things become serious and Albia is determined to expose as much of this local sickness as she can beginning with the truth about the death of little Clodia
