writes of these many De Niro's the characters and the man seeking to understand the evolution of an actor who once dove deeply into his roles as if to hide his inner nature and who now seemingly avoids acting challenges taking roles which make few apparent demands on his overwhelming talent. Following De Niro's roots as the child of artists, his father the abstract painter Robert De Niro Sr. was widely celebrated who encouraged him from an early age to be independent of vision and spirit to his intense schooling as an actor, the rise of his career, his marriages, his life as a father, restaurateur and businessman, and of course his current movie career. Levy has written a biography that reads like a novel about a character whose inner turmoil takes him to heights of artistry. His many friendships with the likes of Martin Scorsese, Meryl Streep, Harvey Keitel, Shelley Winters, Francis Ford Coppola among many others are woven into this extraordinary portrait of De Niro, the man and the artist, also adding a depth of understanding not before seen. Levy has had unprecedented access to De Niro's personal research and production materials, creating a new impression of the effort that went into the actor's legendary performances. The insights gained from De Niro's intense working habits shed new perspective on De Niro's thinking and portrayals and are wonderful to read. Levy also spoke to De Niro's collaborators and friends to depict De Niro's transition from an ambitious young man to a transfixing and enigmatic artist and cultural figure. Shawn Levy has written a truly engaging, insightful and entertaining portrait of one of the most wonderful film artists of our time, a book that is worthy of such a great talent.

**Get Happy** Gerald Clarke, 2009-11-11. She lived at full throttle on stage, screen and in real life with highs that made history and lows that finally brought down the curtain at age forty-seven. Judy Garland died over thirty years ago, but no biography has so completely captured her spirit and demons until now. From her tumultuous early years as a child performer to her tragic last days, Gerald Clarke reveals the authentic Judy in a biography rich in new detail and unprecedented revelations. Based on hundreds of interviews and drawing on her own unfinished and unpublished autobiography, *Get Happy* presents the real Judy Garland in all her flawed glory. With the same skill, style and storytelling flair that made his bestselling *Capote* a landmark literary biography, Gerald Clarke sorts through the secrets and the scandals, the legends and the lies to create a portrait of Judy Garland as candid as it is compassionate. Here are her early years during which her parents sowed the seeds of heartbreak and self-destruction that would plague her for decades; the golden age of Hollywood brought into sharp focus with cinematic urgency from the hidden private lives of the movie world's biggest stars to the cold-eyed businessmen who controlled the machine and a parade of brilliant and gifted men, lovers and artists, impresarios and crooks who helped her reach so many creative pinnacles yet left her hopeless and alone after each seemingly inevitable fall. Here then is Judy Garland in all her magic and despair, the woman, the star, the legend in a riveting saga of tragedy, resurrection and genius.
