David O. Taylor,2023-03-28 Do our physical bodies really matter in corporate worship Isn t our soul the most important part of us Aren t our bodies at best negligible to worship and at worst a hindrance The answer to this last question is categorically no as Christians have attested throughout history and across the global church The purpose of the body instead is to offer to God in worship what only it can offer and what must be offered to God By drawing on the wisdom of the Bible church history and theology and by taking advantage of the unique insights of the arts and sciences ethics and spiritual formation a respected theologian and pastor argues in this book that there is something for our physical bodies to do that decisively forms Christlikeness in us within the context of corporate worship What we do with our postures gestures and movements in worship matters How our senses of sight scent sound taste and touch are involved in worship matters How our spontaneous and prescriptive activities form us in worship matters All of it matters to faithful and fulsome worship for the sake of a body that is fully alive in the praise of God **Phoenix Rising** Kristen Moeller,Leslie Alpin Wharton,2016-04-05 How do you go on after you ve lost everything True stories of surviving the Colorado wildfires and finding hope for the future Over several terrifying summers deadly wildfires raged across Colorado Lives were lost and the flames destroyed thousands of homes When the smoke cleared and only rubble remained survivors were left trying to find a way forward against devastating loss The aftermath of that destruction would span many years and its effects are still felt today In Phoenix Rising twenty women share their stories of fire the terror they felt as flames engulfed their communities and the dark desperation that followed And how in the ensuing weeks and months they worked to recreate a life from the ashes Their tales of fear and bravery of deep compassion and heart rending grief offer an uplifting chronicle of human courage and resilience A gem of a book When it comes to withstanding and making meaning of the most painful twists of this mysterious life or enjoying its surprising rewards nothing compares to the company of other women and their stories Megan Feldman Bettencourt author of Triumph of the Heart Forgiveness in an Unforgiving World **The Academy and Literature** ,1913 Academy; a Weekly
