## Scavenger Hunt Ideas For Children Church:

**The Church Year at Home** Christine E. Curley, 2021-07-28 For parents in today's world it can be hard to find the time and resources to fully equip our children to be spiritually mature adults. So much demands our attention and distracts us from God. Curley offers a resource to help parents structure their days and weeks to glorify God and disciple children. Using the church calendar as a guide, she proposes simple and realistic ways as well as resources for the whole family to engage in the Scriptures and thereby push back on the unrelenting culture of today.

**Camps, Retreats, Missions, and Service Ideas** Youth Specialties, 2011-03-22 Nearly 200 ideas for planning meaningful memorable experiences for your kids. Camps, Retreats, The drive up the mountain, The opening talk, The outdoor activities, The closing fireside. Here's a lodgeful of ideas for organizing successful camps and retreats. Missions: Because even foreign mission work can start within our own borders, you'll find dozens of ideas for helping overseas missionaries right here at home. A used Bible drive, a scavenger hunt for missionary supplies, activities like these not only benefit missionaries but also help your kids understand the personal, local aspects of mission work. Service: Expose your students to others' needs. Inside you'll find ways to help children, the community at large, the elderly, the poor, and homeless, shut-ins, and the sick and disabled. Whether you're a youth worker or recreation director in a church, school, club, or camp, *Camps, Retreats, Missions, Service Ideas* is your storehouse of proven, youth-group-tested ideas.

**Practice, Practice Theory and Theology** Kirstine Helboe Johansen, Ulla Schmidt, 2022-05-09 How might practice theories and engagement with practice contribute to and advance theological study of religion and religious life and practices? This volume explores and discusses how theological engagement with practice theoretically as well as empirically might profit from theories of practice developed in disciplines such as philosophy, sociology, education, and organisational studies during the recent decades but so far scarcely employed within theology. In part I, the volume unfolds key components of practice theory, especially as they have more recently been developed. Within sociological practice theories, reflect on their significance and potential with regard to theology. In part II, these perspectives are employed in the study of concrete religious practices established as well as experimental religious practices and collective as well as individual ones. By unfolding connections between theology and practice theories and reflecting on practice theories, analytical and theoretical potential for theological study of religion, the book will be of interest for any scholar in the study of contemporary religion and practical theology.

*Across the Street and Around the World* Diana Davis, Autumn Wall, 2016-07-04 Think doing missions takes a major time commitment or too much organizational effort. Think again.
