Research on User Interface Design and Evaluation for Mobile Technology Lumsden, Joanna,2008-02-28 This book compiles authoritative research from scholars worldwide covering the issues surrounding the influx of information technology to the office environment from choice and effective use of technologies to necessary participants in the virtual workplace Provided by publisher Disney's Live-Action Movie Bombs, 1979-2019 Tyler Mattis,2024-12-23 This book

explores the history of Disney s biggest live action movie failures from the late 1970s to the late 2010s That stretch of time

was a transformative period in which the company made many financial gains but gradually lost its identity which had largely been synonymous with founder Walt Disney The chapters explain why each movie was made the casting process production details and why each movie failed financially Covered here are cult classics like Tron and Hocus Pocus alongside more well known bombs like John Carter and The Lone Ranger

Kill the Elevator Speech Felicia J Slattery, 2014-11-18 Contrary to popular marketing and networking wisdom regurgitating a memorized elevator speech all over a poor unsuspecting soul who happens to ask the dreaded what do you do question does not work to establish a true connection with another human being Kill the Elevator Speech is about why those standard memorized verbal vomits are so horribly wrong and what to do and say instead that will actually bring people together help others understand who you are and create the beginnings of a referral and professional relationship to go beyond the initial handshake and obligatory card swap The reader will learn how to walk into any room confidently knowing how to handle answer and completely address the question what do you do with ease and grace while also making the person they are speaking to feel comfortable and connected

As You Wish Evie Mitchell, 2023-04-12 Yasmin I love cosplay The costumes the make up the ability to become anyone I want Which is why Halloween is my favourite time of the year And this year I need to be confident sensual and have just a little bit of magic on my side if I m going to catch the eye of my brother s best friend Caleb Prince He might be the deputy sheriff of our little town but he s the king of my heart if only he would look my way Caleb I m what they call a serial monogamist I m not happy unless I m in a relationship Only none of my relationships have lasted longer than a month and I know why Those women weren t Yasmin El Khoury my best friend s sister But when Yasmin walks into my Halloween party dressed as Princess Jasmine all bets are off Cause I m ready to rub every lamp between here and Agrabah if I can just get my one wish Yasmin Warning This book is inspired by masks cosplay and handcuffs So get thee a partner and a blindfold or two and settle in this book is all treat

A Murder Down Memory Lane Elizabeth Spann Craig, 2025-04-15 Reunions can be murder especially when the past refuses to stay buried Myrtle is less than thrilled to receive an invitation to her high school reunion Fond memories of her teenage years Not quite Besides who throws a 67th reunion anyway But curiosity gets the better of her when she learns that several classmates are making the trek from far flung places The reunion turns out to be a haphazard affair with a sparse turnout Things take a turn for the mysterious as the event unfolds Who organized this affair Who sent out the invitations And what s the real reason behind the oddly timed gathering When a body is discovered the reunion goes from awkward to alarming It s up to Myrtle and her trusty sidekick Miles to unravel the mystery before anyone else takes a fatal trip down memory lane

Mobile Media Learning et al., Christopher Holden, 2015 This book is an inspirational message about what is possible and practical in the name of learning through mobile media We present stories from a diverse set of educators a microcosm of the landscape of mobile media learning Each author has found a way to create something new and beautiful in their own world And though their results are exceptional their surroundings are not Most are not experts in high technology

nor highly equipped They get as far as they do by using what is at hand in part by making use of accessible free and open source software To provide both a deeper look into how these projects operate and a practical resource for those who want to join in this book addresses most of these tools individually as well Our detailed down to earth accounts will not only be legible to newcomers but refreshingly forthright to those anxious to better understand educational experiments connecting learning and mobile media Back cover
