**Federal Canadian Correctional Officer Training** Rosemary Ricciardelli, 2025-02-13 The volume uses an ethnographical approach to examine all three stages of the Correctional Services Canada's federal Correctional Officer Training Program offered for recruited individuals. It presents how officers are socialized, trained, and prepared or not prepared through training. This volume reveals the content and context of the training program, the role of values and ethics, the socialization process, the co-response model, the challenges of discretion, the gendered space, and the lessons of training. The ethnographic data is based on full immersion in uniform living in dorm but also includes thematic analysis of content, field notes, and reflection.
