## **Never Say Never Never Series English Edition:**

**Never Say Never: Chasing the Triple Crown** Nydia Sagre, 2019-12-12 Carmen's tumultuous life is finally normal and she's happy with Kevin her loving supportive husband. Everything seems to be looking up until their one year wedding anniversary when a friend is murdered. The murder turns out to be a professional hit and the killer mistakenly slaughtered two innocent people when the actual targets were Carmen and Kevin. To protect them both Kevin fakes his death so he can investigate. Carmen must go on the run but not before she buries a coffin filled with two concrete blocks. She leaves her marriage home unaware if she'll ever see Kevin again as he goes undercover to prove that his stepson ordered them to be killed. Carmen assumes a new name and identity. She discovers a passion for horse training and decides to chase the Triple Crown. Her new path returns her to a thirty minute romance she had twenty years ago and again destiny makes her choose between two men.

**Never Say Never With the Lord on Your Side**, Never Say Never: A Triangle of Three Men The second book in a Trilogy Nydia Sagre, 2019-08-07 Carmen had finally found peace moving beyond her tumultuous past. Her only desire was to add four children orphans like herself to her family. Except her husband had little interest in children adopted or otherwise. Then she met an actor that wanted to whisk her away and make her dreams come true but first she needed to return home to seek her Nana's advice. That's when she comes face to face with her first love and new possibilities. She must choose one man in her Triangle of Three Men. The second book in a trilogy.

Never Ever Forget Donna McDonald, 2022-09-16 The new man in her life calls her Amazing Grace. Grace Under Fire is more like it. Grace Ward Adams only ever loved one man. When Vance left her for a younger woman their divorce felt like death to her. Now the only man she'd ever loved is dead for real and she's so mad at him she could scream. Not that Grace had been pining for Vance the entire decade that had passed because she hadn't been. She married twice after him and divorced twice too. Yes Vance's death had stunned her. The video he left stunned her too. How could Vance ask her to help the other discarded women in his life get over him? Two members of his harem were young enough to be her daughters. It was utterly selfish of him to ask such a thing and to make their inheritance her problem. She didn't need his millions. Grace felt like digging Vance up and shaking him until he died again. Her plan to get revenge is currently circling the drain as well. Dating the so-called grief expert his estate hired was supposed to be a joke where she got the last laugh. It turns out though that falling in love again isn't funny at all.

**Never Look Back** Donna McDonald, 2018-09-20 Her real life is no fairy tale and she's no Cinderella. After what her ex husband did to her heiress Henna Colombo is a man hater not a dater. And the thing she hates most of all is the fairytale of falling in love. Why do her father and her new wicked stepmother insist she keeps looking for her prince? And why at The Perfect Date Only the most pathetic losers use a dating service? She's fine being single. As far as Henna's concerned the love god can take his diaper wrapped butt and arrows elsewhere. Cupid can also shove those arrows where the sun doesn't shine if he thinks for one second that someone like Vassal Milano is her perfect man. Vassal's perfect alright perfect at sneaking around behind her

back Just like her ex she caught him kissing someone else No she didn't confront Vassal about it Why would she put herself through all that heartache and torture again Outside of a few unforgettable kisses she and Vassal were only friends anyway Cupid's arrow missed her that time thankfully As for the whole dating thing and looking for any sort of honorable Prince Charming Forget it No such man exists Luckily Henna doesn't care      **Never Too Old To Date** Donna

McDonald,2020-02-27 Her business is wildly successful but the rest of her life is just wild Sixty may be the new forty but not for the Honorable Eleanor J Skyler She's retiring from the law firm she spent her entire career building What's wrong with wanting to wear yoga clothes every day and go zip lining whenever the adventurous mood strikes Nothing that's what She's got no time for dating and drama She certainly has no time to deal with her senior law partner Andrew Carson who has for reasons she can't fathom decided she's his perfect woman To say she's confused is an understatement They've known each other for over twenty years They knew each other's spouses before they died Why is Andrew suddenly looking at her legs and telling her she's beautiful He's barely over fifty He has the tiny sports car Why can't Andrew chase a twenty year old like every other man having a midlife crisis      **Never Get Enough** Donna McDonald,2024-11-22 She might as well be unicorn hunting as dating Her work saves lives which is why being a pediatric oncologist comes first in Dr Cherry Carmichael's life Dating comes second Or maybe even third because she too often lets her twin brother Harry talk her into being his fake date at business functions Bar hopping and twin shenanigans take all the barely existent free time she can devote to her love life Not that she's ever come close to finding the perfect man or love or a unicorn They were equally elusive      **Catalog of**

**NOW I ASK YOU...** Dr. Sherry L. Meinberg, 2024-02-20 All of my family and many friends are scattered in various states or countries So when I die they needn't gather in California for my funeral as I do not plan to have one My goal is to have my lawyer or a friend send everyone I know a copy of my memoir/advice book *NOW I ASK YOU* to save everyone the hassle of traveling on short notice It is not worth their time, effort and inconvenience nor the money involved Throughout my 84 years so far I have garnered tons of personal experiences good, bad and so so As such I have chosen 120 subjects to share Each section has three parts It starts with *NOW I ASK YOU* questions and/or advice for the reader then my personal story followed by inspirational quotations both old and new from the famous, the not so famous and the anonymous pertaining to that particular experience Few individuals have heard all of these tales so many will be new to them I have actually heard friends become angry when I would tell one of my stories to others and they hadn't heard it before How weird is that Although I tried to place my memories in chronological order the reader can dive in anywhere as each story can stand alone I hope readers will smile or laugh or cringe at some of my difficult, unpleasant, funny or embarrassing experiences This 24th book of mine is just my way of leaving a historical record of sorts for my family as well as a roadmap for friends, neighbors, former students and other readers to learn from my failures and successes always a teacher at heart
