Meanwhile, Hitler's rise to power and the violence in her very own town have Sophia concerned, but only her mother is willing to share her fears openly. After tragedy strikes and her mother dies, Sophia becomes increasingly involved in the resistance, attending meetings of dissidents and helping however she can. Circumstances become increasingly dangerous and personal when Sophia assists her sister's daring escape from Germany as Theresa flees with her young husband and his family. Her father also begins to resist the regime, secretly helping those hiding from persecution, only to have his hospital burned to the ground. When he is arrested and sent to a concentration camp, Sophia is truly on her own but more determined than ever to help. While working as a nurse with the convent nuns, the Sisters of Mercy, Sophia continues her harrowing efforts to transport Jewish children to safety and finds herself under surveillance.
