In 1902 when Lt Ridley McLean first wrote this sailor's bible he described it as a manual for every person in the naval service. One hundred years later it continues to serve as a primer for newly enlisted sailors and as a basic reference for all naval personnel from seaman to admiral. New technology is artfully blended with ancient heritage facts and figures are augmented by helpful advice and the mysterious language of the sea is preserved and deciphered in a volume that has served the United States Navy for an entire century. Updated throughout the book provides the latest Navy ratings, uniforms, ships, aircraft, and weapons, as well as current Navy policies on hazing, fraternization, education, and physical fitness, and a completely new chapter explaining the Navy's mission in terms of its rich heritage.
