personal resources that will allow them to achieve their goals They claim to live in a world of gender equality even as they continue to cherish performances of gender difference The gulf between young mens and young womens imagined intimate lives together suggest that many are bound for conflict They and indeed their parents do not understand the world in terms of class relations but proclaim that everyone is the same even as they are aware of fine distinctions in economic resources and cultural capital Alongside proclaimed acceptance of cultural diversity the advantages experienced by virtue of being white challenges many young Australians In an increasingly individualistic world some young people perform in intimate citizenship or personal engagements based on shared experiences Like their parents few understand obligations towards unmet others which form the basis of national solidarity *Betoota's Australia 2020* The Betoota Advocate,2020-11-10 From the heart of the Western Queensland Channel Country Australia s oldest and favourite newspaper details our country s very rocky start to a millennium that was supposed to be one of great optimism and innovation 2020 was meant to be our year of healing A time to tend to the wounds of a country torn asunder by a decade of divisive political and media debates A lack of confidence in the international sporting arena A 24 hour news cycle that has destroyed the pub test We thought all of the uncertainty was behind us The federal election delivered us Scotty from Marketing The Quiet Australian spoke up Gay marriage Yep Climate change Let s wait and see what happens Smudge and Warner had served their time and together as a nation it was time to rebuild But fate had other plans starting with the worst bushfires in human memory While large swathes of the country burned our politicians were either on holidays or giving their mates grants to build indoor pools in blue ribbon seats Surely it couldn t get worse ken oath it could Mother nature arrived as COVID 19 and told us all to go to our rooms This is a specially formatted fixed layout ebook that retains the look and feel of the print book *She Knows Too Much* Pamela Crane,2023-06-13 Best friends Tara Ginger and Sloane should not have gone on that walk If they hadn t they would not have found a body too decomposed to identify And they would not have become suspects in his death All three women share a disturbing connection to the murder The whole town knows about the bad blood between Tara and the victim And rumor has it Ginger may have been romantically involved But only Sloane knows her dark secret that she wishes would disappear and which she s buried as deep as his body Searching for answers Tara comes across cassette tapes that unravel a horrifying chain of events But that s not the worst of it The final tape is linked to Sloane And Sloane may not be as innocent as she seems As the tapes take them back to the 1990s not even the Girl Power of the Spice Girls can prove their innocence no matter how much they wannabe free from suspicion One of them knows too much and someone will kill to hide the truth
