

Plate English 19 Semester A Answers

There are, however, several other features of the technology that could be seen as off their prime strength. For example, it is possible for the system to be used to detect illegal activities, and to assist in the investigation of crimes. For example, the system could be used to detect illegal activities, and to assist in the investigation of crimes. For example, the system could be used to detect illegal activities, and to assist in the investigation of crimes.
