**Play: A Play by Jed McKenna** Jed McKenna, 2015 It is what it is they say but is it Jed McKenna has always been more about destroying questions than answering them so it's no surprise that Play is more Q than A In fact it might be viewed as a progression through the stages of self inquiry each of the seven vignettes taking us a bit further along on the inward journey the early vignettes asking the questions and the latter ones looking at those who do ask showing us promising us warning us where honest and relentless inquiry really lead But who Jed has asked really wants to go where this road really leads On this journey who you are changes with every step and it's all about taking the next step In the end Play is what it is Or is it Maybe it's the journey of the examined life or maybe it's just a playful little play Ultimately of course Play like life like anything is whatever it is to you *Thus Spake Jed McKenna* Jed McKenna, 2019-02-10 Five articles and 3 short plays This free 220 page ebook includes Starship Gita The Song of the Borg Zen and the Art of Self Mutilation Blues for Buddha The Whole Truth Deception Your Mind is the Scene of the Crime and more

**Dreamstate** Jed McKenna, 2016-08 If life is but a dream to what do we awake The central premise of Dreamstate A Conspiracy Theory is the admittedly ridiculous but incontrovertibly true assertion that the universe does not exist This is something you can understand conceptually like watching a documentary about Antarctica or experientially like moving to Antarctica There's also a related phenomenon where you fall asleep watching the documentary and wake up in the frozen wasteland That's gotta be weird but the truth is that you're asleep in a barren wasteland dreaming that you're not so that's where waking up gets you *Jed Talks #1 2nd Edition* Jed McKenna, 2018-09-20 2nd Edition contains Starship Gita Song of the Borg Contents Toe Jam Satsang with Jed Insane Little Monkeys The Liberating Angel What Is Enlightenment The Champions of Delusion Yolanda Periwinkle The Spiritual Anarchist The Second Coming Goldilocks Universe The Magic Part The Cross of the
