Play It As It Lays:

Play It As It Lays Joan Didion, 2005-11-15 A ruthless dissection of American life in the late 1960s **Play It As It Lays** captures the mood of an entire generation Joan Didion chose Hollywood to serve as her microcosm of contemporary society and exposed a culture characterized by emptiness and ennui

Play it as it Lays Joan Didion, 1973 A ruthless dissection of American life in the late 1960s **Play It as It Lays** captures the mood of an entire generation the ennui of contemporary society reflected in spare prose that blisters and haunts the reader Set in a place beyond good and evil literally in Hollywood Las Vegas and the barren wastes of the Mojave Desert but figuratively in the landscape of an arid soul it remains more than three decades after its original publication a profoundly disturbing novel riveting in its exploration of a woman and a society in crisis and stunning in the still startling intensity of its prose

Summary of Play It As It Lays by Joan Didion Condensed Books, A high quality summary of Joan Didion's book **Play It As It Lays** including chapter details and an analysis of the main themes of the original book About the original book Maria Wyeth Lang is a Beverly Hills based actress who is 31 years old Since her buddy BZ committed suicide approximately a month ago she has been institutionalized at the University of California Los Angeles Neuropsychiatric unit Maria has been requested to provide a detailed description of the circumstances that led to her emotional collapse by the physicians She begins her story in Silver Wells Nevada a little town constructed atop a missile testing range that her father controlled She moves to New York at the age of 18 to pursue a career as an actor not because she is ambitious but because her parents believe it is a good idea

The Road Story and the Rebel, This cultural history reveals the unique qualities of road stories and follows the evolution from the Beats postwar literary adventures to today's postmodern reality television shows Tracing the road story as it moves to both LeRoi Jones's critique of the Beats romanticization of blacks as well as to the mainstream in the 1960s with CBS's *Route 66* Mills also documents the rebel subcultures of novelist Ken Kesey and the Merry Pranksters who used film and LSD as inspiration on a cross country bus trip and she examines the sexualization of male mobility and biker mythology in the films *Scorpio Rising* *The Wild Angels* and *Easy Rider* Mills addresses how the filmmakers of the 1970s Coppola Scorsese and Bogdanovich flourished in New Hollywood with road films that reflected mainstream audiences and how feminists Joan Didion and Betty Friedan subsequently critiqued them A new generation of women and minority storytellers gain clout and bring genre remapping to the national consciousness Mills explains as the road story evolves from such novels as *Song of Solomon* to films like *Thelma*

and Louise and television's Road Rules 2 *Landscapes of the New West* Krista Comer, 1999 In the early 1970s empowered by the civil rights and women's movements a new group of women writers began speaking to the American public Their topic broadly defined was the postmodern American West By the mid 1980s their combined works made for a bona fide literary groundswell in both critical and commercial terms However as Krista Comer notes despite the attentions of publishers the media and millions of readers literary scholars have rarely addressed this movement or its writers Too many critics Comer argues still enamored of western images that are both masculine and antimodern have been slow to reckon with the emergence of a new far more feminine postmodern multiracial and urban west Here she calls for a redesign of the field of western cultural studies one that engages issues of gender and race and is more self-conscious about space itself especially that cherished symbol of western authenticity open landscape Surveying works by Joan Didion Wanda Coleman Maxine Hong Kingston Leslie Marmon Silko Barbara Kingsolver Pam Houston Louise Erdrich Sandra Cisneros and Mary Clearman Blew Comer shows how these and other contemporary women writers have mapped new geographical imaginations upon the cultural and social spaces of today's American West Abortion, Choice, and Contemporary Fiction Judith Wilt, 1990-06-28 In recent years public debate has raged over the issue of maternal choice While personal testimony and political argument have received widespread attention artistic representations of birth and abortion have been submerged Judith Wilt offers the first look at how contemporary writers tell and retell the stories that shape our perceptions about abortion She reveals that the struggle to plot these painful complex narratives of choice control guilt loss and liberation has preoccupied an astonishing number of our most distinguished novelists male and female alike Readers of twentieth century novels are more likely to encounter plots centered on maternal choice than those dealing with the more traditional problems of courtship and marriage In the opening of the book Wilt discusses real case histories of several women After studying the ambiguities of their decisions she turns to their counterpoints depicted in contemporary fiction Working from a feminist perspective Wilt traces the theme of maternal choice in works by Margaret Atwood Margaret Drabble Joan Didion Mary Gordon Alice Walker Toni Morrison Gloria Naylor Marge Piercy Thomas Keneally Graham Swift Ernest Hemingway William Faulkner John Barth John Irving and others Behind the political medical and moral debates on abortion Wilt argues is a profound psychocultural shock at the recognition that maternity is passing from the domain of instinct to that of conscious choice Although never wholly instinctual maternity's potential capture by consciousness raises complex questions The novels Wilt discusses portray worlds in which principles are endangered by sexual inequality male power and hidden male fear of abandonment impotence female submission and covert rage and in the case of black maternity the hideous aftermath of slavery Wilt provides a resonant new context for debates whether political or personal on the issue of abortion and maternal choice Ultimately she enables us to rethink how we shape our own identities and lives *Uncle John's Bathroom Reader Plunges Into Hollywood* Bathroom Readers' Hysterical Society, 2012-06-01 Take One Action Uncle John's Plunges into Hollywood uncovers Tinseltown

Writing Widowhood Jeffrey Berman,2015-10-07 Explores how memoirs of widowhood can help us understand the reality of bereavement and the critical role of writing and reading in recovery The death of a beloved spouse after a lifetime of companionship is a life changing experience To help understand the reality of bereavement Jeffrey Berman focuses on five extraordinary American writers Joan Didion Sandra Gilbert Gail Godwin Kay Redfield Jamison and Joyce Carol Oates each of whom has written a memoir of spousal loss In each chapter Berman gives an overview of the writer s life and art before widowhood including her early preoccupation with death and then discusses the writer s memoir and her life as a widow He discovers that writing was for all of these authors both a solace and a lifeline enabling them to maintain bonds with their lost loved ones while simultaneously moving on with their lives These memoirs of widowhood Berman maintains reveal not only courage and resilience in the face of loss but also the critical role of writing and reading in bereavement and

recovery Writing Widowhood is a stunning achievement that combines biography literary history and theoretical and philosophical exploration into the nature of grief as well as mental illness all seamlessly executed Berman elegantly and lucidly conveys a range of theories and perspectives to suit both academic and general readers Berman never compromises complexity while remaining accessible and straightforward throughout Virginia L Blum author of *Flesh Wounds The Culture of Cosmetic Surgery* Writing Widowhood contributes to the field of autobiography biography and particularly to women s writing within that generic field by discussing five memoirs which Berman categorizes as the widow memoir No other critic that I know has shaped commentaries into a newly defined genre Berman s book thus makes an important contribution to the overall field Linda Wagner Martin author of *Telling Women s Lives The New Biography* [LIFE](#) ,1970-07-31 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **New York Magazine** ,1996-09-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Reading Joan Didion** Lynn M. Houston,William V. Lombardi,2009-08-25 This book is a compelling reference guide for book clubs on the work of Joan Didion with summaries of her major works and discussion questions Reading Joan Didion is the ideal way to enter this extraordinary and versatile author s world a world that counts among its citizens burned out hippies cynical and delusional players in the film and music scene and even members of the Charles Manson family In addition to looking closely at major works of fiction Reading Joan Didion also focuses on Didion the essayist critic and founding member of the New Journalism Movement which uses fiction like narrative techniques to go deeper into subjects that traditional objective reporting allows Also covered is the rich screenwriting partnership of Didion and husband John Gregory Dunne and the overwhelming late career success of *The Year of Magical Thinking* written in the aftermath of Dunne s shocking death and completed just before the author s daughter also passed away unexpectedly *Minimalism and Affect in American Literature, 1970-2020* Oliver Haslam,2024-09-05 Theorizes the development of a minimalist mode in American fiction since 1970 frequently seen to interrogate US postmodernity *Minimalism and Affect in American Literature 1970 2020* responds to existing studies of literary minimalism by pursuing three original and interrelated objectives It provides a more inclusive and precise definition of minimalism that enables further inquiry into the mode It also exposes the presence of minimalism beyond critical demarcations that attempt to limit the aesthetic to a particular school medium movement form or decade Finally it argues that writers of American literary minimalism are uniquely privileged in their ability to formalize precarity and threatening

cultural currents into the fragile construct that is ordinary life Building upon theories of affect and the everyday Minimalism and Affect in American Literature 1970 2020 analyses minimalist aesthetics within the works of canonical minimalists alongside writers more frequently associated with other movements Through readings of Ernest Hemingway Joan Didion Raymond Carver Paul Auster and Don DeLillo among others and cultural phenomena ranging from sedation to telephony this book exposes the persistence and political importance of minimalism within American literature from the 20th century into the 21st

Memory and the Built Environment in 20th-Century American Literature Alice Levick, 2021-05-20 From the paving of the Los Angeles River in 1938 and the creation of the G I Bill in 1944 to the construction of the Interstate Highway System during the late 1950s and the brownstoning movement of the 1970s throughout the mid 20th century the United States saw a wave of changes that had an enduring impact on the development of urban spaces Focusing on the relationship between processes of demolition and restoration as they have shaped the modern built environment and the processes by which memory is constructed hidden or remade in the literary text this book explores the ways in which history becomes entangled with the urban space in which it plays out Alice Levick takes stock of this history both in the form of its externalised concretised manifestation and its more symbolic representation as depicted in the mid 20th century work of a selection of American writers Calling upon access to archival material and interviews with New York academics authors local historians and urban planners this book locates Freud's Uncanny in the cracks between the absent and present invisible and visible memory and history as they are presented in city narratives demonstrating both the passage of time and the imposition of 20th century modernism With reference to the works of D J Waldie Joan Didion Hisaye Yamamoto Raymond Chandler Marshall Berman Gil Cuadros Paule Marshall L J Davis and Paula Fox Memory and the Built Environment in 20th Century American Literature unpacks how time becomes visible in Los Angeles Sacramento Lakewood and New York in the decades just before and after the Second World War questioning how these spaces provide access to the past in both narrative and spatial forms and how at times this access is blocked

Twentieth-Century and Contemporary American Literature in Context Linda De Roche, 2021-06-04 This four volume reference work surveys American literature from the early 20th century to the present day featuring a diverse range of American works and authors and an expansive selection of primary source materials Bringing useful and engaging material into the classroom this four volume set covers more than a century of American literary history from 1900 to the present Twentieth Century and Contemporary American Literature in Context profiles authors and their works and provides overviews of literary movements and genres through which readers will understand the historical cultural and political contexts that have shaped American writing Twentieth Century and Contemporary American Literature in Context provides wide coverage of authors works genres and movements that are emblematic of the diversity of modern America Not only are major literary movements represented such as the Beats but this work also highlights the emergence and development of modern Native American literature African American literature and

other representative groups that showcase the diversity of American letters A rich selection of primary documents and background material provides indispensable information for student research Bret Easton Ellis's Controversial Fiction Sonia Baelo-Allué,2011-06-23 International Postmodernism Johannes Willem Bertens,Hans Bertens,Douwe Fokkema,1997

Containing more than fifty essays by major literary scholars International Postmodernism divides into four main sections The volume starts off with a section of eight introductory studies dealing with the subject from different points of view followed by a section that deals with postmodernism in other arts than literature while a third section discusses renovations of narrative genres and other strategies and devices in postmodernist writing The final and fourth section deals with the reception and processing of postmodernism in different parts of the world Three important aspects add to the special character of International Postmodernism The consistent distinction between postmodernity and postmodernism equal attention to the making and diffusion of postmodernism and the workings of literature in general and the focus on the text and the reader i e the reader s knowledge experience interests and competence as crucial factors in text interpretation This comprehensive study does not expressly focus on American postmodernism although American interpretations of postmodernism are a major point of reference The recognition that varying literary and cultural conditions in this world are bound to produce endless varieties of postmodernism made the editors Hans Bertens and Douwe Fokkema opt for the title International Postmodernism
